It's Who You Are Not What You Have **Lovers Bible** Dr. DreamingBear Baraka Kanaan, 2017-08-18

Lovers Bible is an ode to being a lover as a way of life seeking the beloved in everything and having the audacity to make out with existence every chance you get so as to give the multiverse cosmic goose bumps. Part guide to being a lover and part poetic prophecy this volume is potency incarnate. Infused with the mana of the Hawaiian Islands these passages reflect the spiritual connection to the aina life force of this new Eden oasis. Inspired by and written amongst Hawaiian fairy forests and enchanted tropical dreams Lovers Bible merges in the center with half being day and half being night a metaphor for the lover and beloved playing the eternal game of hide and seek kiss tag. Sacred and profane eroticism decorate the pages and tenderly offered innamorato philosophy flowers in the fodder of this seductive verse. It's not for the faint of heart and sacred sensual scriptures emerge from this incantation of passion and playfulness beckoning the initiate to awaken to the power inherent within declaring For God so loved the world that she formed Creation with a kiss. Beyond religions belief systems or concepts of any kind there is the deepest truth of being human which is tenderness with an edge. Lovers Bible is a manuscript for those who find more holiness in a single sweet embrace than in all the shrines and semantics of the world. The lovers path the beauty way is embedded in nature. Hidden in every leaf rock river and creature is a kiss from Creation saying Come play.

She enlists her oldest friend and boy next door Miles to help.
