ever received A new lease on life *The Dragon Mistress: Book 3* R. A. Steffan, 2019-07-08 Our secret is out and now we're marked for death A lone survivor escaped the mountain battle carrying news of our dragons' existence to the court of Prince Oblisii Utrea's dragons were supposed to have been wiped out long ago Only these five remain a male and four females They're all that's left to carry on the species but first we have to keep them alive The prince will come soon with his army and I'm stuck on a mountaintop with my four knights in tarnished armor Sometimes I think these men will be the death of me long before the royal soldiers arrive Other times I think they may be my only salvation Before the five of us can flee Utrea for safer shores I'll have to form a soul bond with the male dragon Until then he's little more than a wild animal dangerous and unpredictable And without the male we're lost since the future of dragonkind rests on his shimmering white wings Yet the idea of the soul bond fills me with terror If I bind myself to him his death would mean my death just as my death would mean his Already the men I love are binding the female dragons one by one tying their souls irrevocably together With the others already bound everything depends on me But danger lurks whether I accept that dragon bond or not I was already a wanted woman after I spurned Prince Oblisii and escaped from his harem of concubines Not only that but I also fled straight into the arms of a group led by Oblisii's disgraced older brother Rathanii the man who should have been Utrea's king If Prince Oblisii gets hold of me again death will be the least of my worries And the gods only know what the others might do to try and get me back

Original **The Dragon Mistress: Book 1** R. A. Steffan, 2018-10-26 They're the last five dragons in existence To survive they must form soul bonds with five noble humans Too bad they're stuck with us instead The angry drunk The shameless womanizer The coward who ran away and got his comrades killed The ice cold assassin for hire And me the foreign girl with abandonment issues as deep and wide as the Southern Sea My four knights in tarnished armor are all that stand between the dragons and a corrupt ruler intent on hunting them to extinction A ruler I might add whom I managed to personally offend by escaping his harem of unwilling concubines So yeah Let's just say that so far this experience hasn't lived up to my childhood dreams of travel to exotic faraway lands I left home in search of adventure Instead I stumbled into the middle of a desperate struggle for survival Five people Five mythical beasts If we manage to get through this mess it's going to be a miracle
