Dreams of Awakening Charlie Morley, 2013-11-04 THIS BOOK IS FOR ALL THOSE WHO WANT TO WAKE UP BOTH IN THEIR DREAMS AND WAKING LIVES Dreams of Awakening is a thorough and exciting exploration of lucid dreaming theory and practice within both Western and Tibetan Buddhist contexts It not only explores lucid dreaming practices but also the innovative new techniques of Mindfulness of Dream and Sleep the holistic approach to lucidity training which the author co created The book is based on over 12 years of personal practice and the hundreds of lucid dreaming workshops which Charlie has taught around the world in venues as diverse as Buddhist temples and dance

music festivals Using a three part structure of Ground Path and Germination the reader is given a solid grounding in the history and benefits of lucid dreaming cutting edge research from dream and sleep scientists entering the path of learning to do the practices prophetic dreams lucid living out of body experiences and quantum dreaming Although Dreams of Awakening presents many different angles on how to make the 30 years we spend asleep more worthwhile the fundamental aim of the book is to teach people how to lucid dream their way to psychological and spiritual growth This book is for all those who want to wake up both in their dreams and waking lives Dreams of Awakening (Revised Edition) Charlie Morley,2024-08-27 Embark on your journey to psychological and spiritual growth with this revised edition of Charlie Morley s bestselling exploration of the practice and benefits of lucid dreaming Dreams of Awakening is a thorough and exciting exploration of lucid dreaming theory and practice within both Western and Tibetan Buddhist contexts This revised edition includes up to date scientific research new sections on the use of lucid dreaming to aid the treatment of anxiety panic attacks nightmares and healing your inner child together with brand new techniques for day and night time practice Charlie distils wisdom from more than 20 years of personal practice and the lucid dreaming workshops he has taught around the world Using a three part structure of Ground Path and Germination you ll learn the history and transformative benefits of lucid dreaming techniques for lucid dreaming your way to psychological and spiritual growth the latest research into the application of lucid dreaming for healing how to rewire your brain to create new positive mind states while you sleep This book is for all those who want to wake up to their true potential both in their dreams and their waking lives **My Big TOE - Discovery S** Thomas Campbell,2023-08-29 The interface between us and our consciousness AND a model of consciousness *Business Ethics 3.0* Erhard Meyer-Galow,2018-05-22 The reputation of business managers is declining due to their disregard for moral decisions and ethical practices Business students are currently taught only technical knowledge without concern for being compassionately and holistic engaged However when entering the business sector these graduates encounter a world which necessitates difficult personally challenging decisions ones for which technical knowledge is insufficient Successful sustainable resolutions can only be expected to result from a holistic sustainable approach which accommodates the difficulty in balancing ethical practices with the demands for ever increasing profits This unique graduate textbook addresses the issue of business ethics from the perspective of an individual s internal growth facilitated by a consideration of the principles of depth psychology spiritual wisdom meditation and quantum physics written by a CEO with an enormous business background It not only promotes a new ethical approach but also addresses the implementation of this new approach in the most important business sectors as a replacement for previous ineffective codes of conduct which have failed It s a must read for business students with aspirations of becoming managers or entrepreneurs in the economic sector as well as for all young professionals managers and entrepreneurs to improve their ethical performance and sustainable success Message from the author This book creates an impetus for change in a business world where unethical practices are

rampant by providing a suggested a New Integral Ethics for the economy an ethical approach based upon inner psychological and spiritual development arising from a serious consideration of Depth Psychology Readers will learn how adoption of specific Practices which lead to inner growth and spiritual maturity will result in ethical morally sound business practices not because they are mandated but because once the SELF is actualized you cannot do otherwise Laws appeals and directives which have never successfully resulted in ethical practices become unnecessary replaced by intrinsically ethical individuals who collectively influence corporate ethical behaviour This is a giant leap into a new dimension in our globalized digitized economy Business Ethics 3 0 by Erhard Meyer Galow provides a much needed beacon of light to a segment of our society that seem to be sinking deeper and deeper into darkness The term business ethics once an important topic within the business community has slowly descended through the fog of profitable ends justifying unprincipled means to become nothing more than a self contradictory oxymoron especially among large international corporations In Business Ethics 3 0 Erhard Meyer Galow has taken a fresh approach that appeals to individual personal growth rather than the usual proffering of academic arguments that are not implementable in the real world of relentless Machiavellian competition Only through raising and improving individual awareness and responsibility can real long term change have a chance of developing Business Ethics 3 0 is on the right track with a positive and compelling message may it succeed where the academics have failed Thomas Campbell physicist consciousness researcher author of My big TOE Finalist at the 2018 Humanistic Management Book Awards *From the Cotton Patch to Ph.D.* Wendell R.
