It took a long time to build the ark because it was so big. Finally, after many years, it was finished. Now God told Noah to bring the animals into the ark. God said to bring in two of some kinds of animals, both a male and a female. But of other kinds of animals, God told Noah to bring in seven. God also told Noah to bring in all the different kinds of birds. Noah did just what God said.

Afterward, Noah and his family also went into the ark. Then God shut the door. Inside, Noah and his family waited. Just imagine you are there in the ark with them, waiting. Would there really be a flood as God said? *Genesis 6:9-22; 7:1-9.*
