Black Friday Alex Kava, 2010-08-01 On the busiest shopping day of the year a group of idealistic college students believe they're about to carry out an elaborate media stunt at the largest mall in America They think the equipment in their backpacks will disrupt stores computer systems causing delays and chaos disrupting capitalism if only for a moment What they don't realize is that instead of jamming devices their backpacks contain explosives And they're about to become unwitting suicide bombers FBI profiler Maggie O'Dell must put her own political troubles aside to work with Nick Morrelli and figure out who's behind this terrorist plot a massacre that's all the more frightening when a tip reveals that Maggie's brother is one of the doomed protestors

Black Friday TOM DICAPRIO, 2013-10-03 A nation has become divided by another controversial presidential recount Not only does the controversial recount threaten to bring down a presidential administration and a prominent Internet company but it has also given al Qaeda an opportunity to strike in a way that it has never done before The time honored tradition of Americans shopping the day after Thanksgiving is the only thread that now unites America it could become the opportunity to take down the United States which al Qaeda has long dreamed of Can the

various governmental agencies stop the attack from happening Are there also elements from within that are planning to strike the United States as well If all efforts to thwart our enemies fail the day Black Friday could have an entirely new meaning
