Google Maps Booktok Trending Deal:

Google Maps Profits Laura Maya, 2024-02-21 Google Maps Profits offers a thorough guide to maximizing the benefits of Google Maps services for businesses. The book commences by exploring the market potential and advantages of Google Maps, laying a solid foundation for understanding the platform. It then progresses into a detailed instructional guide covering key topics such as optimizing business listings, implementing effective Google Maps SEO, and building a positive online reputation through Google Maps. The book adopts a hands-on approach, providing clear directions on identifying and targeting potential customers for these services, emphasizing geographical targeting and customer profiling. A significant focus is placed on optimizing Google Business Profiles to achieve higher search rankings through strategic SEO tactics. Moreover, the book dives into the critical role of local citations and Google reviews in establishing trust and authority online. It offers practical advice for obtaining and managing Google reviews, including innovative methods like QR codes and email marketing. Targeted at business owners, marketers, and entrepreneurs, Google Maps Profits is a vital tool for anyone seeking to boost their business's digital presence and capitalize on the opportunities presented by Google Maps for business growth and success.

Google Maps SEO Matthew Gumke, 2019-09 If you're not first, you're last. Grant Cardone: The best place to hide a dead body is on the 2nd page of Google. SEO Community: In this book, you'll learn how to rank your business first on Google Maps. The author is Matthew Gumke. Matthew Gumke is a 24-year-old Entrepreneur and Philanthropist who created his first 6-figure online business in 2017. Matthew has built a personal brand of over 100,000 Facebook followers and over 50,000 Instagram followers, along with being featured in major publications for his businesses for his expertise in SEO. Learning SEO led Matthew into many different industries, along with creating his own books and programs to teach people how he's been able to monetize Google Search Engine to create multiple income streams. Matthew's notable mentors and business partners include Tony Robbins, Naveen Jain, Forbes, Riley, Tai Lopez, and Ekim Kaya. Being 1st on Google Maps is crucially important. To rank, you'll need to learn Google Maps SEO. When searching for a local business, many consumers search through maps. If you're not 1st on Google Maps, you're losing money. Lots of money. Every single day, a potential long-term customer is going to your competitor. Unless the customer has a bad experience, it's likely you won't have them as a customer the rest of their life. Being 1st on Google Maps isn't just costing you money on a day-to-day basis; it's negatively impacting every day the rest of your life. Impact. You love your business; your business helps people. You're doing your customers a disservice when they search for a local business and go to a competitor. This affects the amount of impact you can leave in the world. Respect. If you're not 1st on Google, you'll lose respect in the eyes of many of your customers. They won't see you as the market leader. They'll try to negotiate discounts and haggle you for every penny. It's not just your customers; you'll lose respect in the eyes of many business owners. They won't think you're serious about your business. As a result, you'll lose referrals and other opportunities. Freedom. The difference between freedom for many business owners is a 1st place Google ranking. When you're first on

Google you don't need to prospect for new customers By dominating your industry you can easily create time freedom It's not the best business owner that gets freedom it's the business owner that's first on Google I could list more reasons why your business needs to be 1st on Google maps but to be honest I don't want to disrespect your intelligence If you didn't know you need to be 1st on Google maps you wouldn't be reading this In this book I've laid out 8 easy to follow steps An idiot could do this SEO doesn't need to be difficult It's really easy once you know everything Anyone that tells you it's really difficult and you can't do it yourself is trying to sell you their services Someone with no computer experience could follow these 8 steps and rank first on Google maps What are you waiting for Read the book today and ROCKET your business to the top
