Marketing Recorded Music Tammy Donham, Amy Sue Macy, Clyde Philip Rolston, 2022-06-12 This fourth edition of Marketing Recorded Music is the essential resource to help you understand how recorded music is professionally marketed Updated to reflect the digital era with new chapters on emerging media streaming and branding this fourth edition also includes strategies for independent and unsigned artists Fully revised to reflect international marketing issues Marketing Recorded Music is accompanied by a companion website with additional online resources including PowerPoints quizzes and lesson plans making it the go to manual for students as well as aspiring and experienced professionals

Getting Signed David Arditi, 2020-09-28 Record contracts have been the goal of aspiring musicians but are they still important in the era of SoundCloud Musicians in the United States still seem to think so flocking to auditions for The Voice and Idol brands or paying to perform at record label showcases in the hopes of landing a deal The belief that signing a record contract will almost infallibly lead to some measure of success the ideology of getting signed as Arditi defines it is alive and well Though streaming social media and viral content have turned the recording industry upside down in one sense the record contract and its mythos still persist Getting Signed provides a critical analysis of musicians contract aspirations as a cultural phenomenon that reproduces modes of power and economic exploitation no matter how radical the route to contract Working at the intersection of Marxist sociology cultural sociology critical theory and media studies Arditi unfolds how the ideology of getting signed penetrated an industry created a mythos of guaranteed success and persists in an era when power is being redefined in the light of digital technologies

The Values of Independent Hip-Hop in the Post-Golden Era Christopher Vito, 2019-02-08 Utilizing a mixed methods approach this book uncovers the historical trajectory of U S independent hip hop in the post golden era seeking to understand its complex relationship to mainstream hip hop culture and U S culture more generally Christopher Vito analyzes the lyrics of indie hip hop albums from 2000 2013 to uncover the dominant ideologies of independent artists regarding race class gender sexual orientation and social change These analyses inform interviews with members of the indie hip hop community to explore the meanings that they associate with the culture today how technological and media changes impact the boundaries between independent and major and whether and how this shapes their engagement with oppositional consciousness Ultimately this book aims to understand the complex and contradictory cultural politics of independent hip hop in the contemporary age

Global Communication Thomas L. McPhail, Steven Phipps, 2019-12-24 Discusses the players theories and trends that affect how the world communicates and gets their information This book is a definitive text on multinational communication and media conglomerates exploring how global media influences both audiences and policy makers around the world Comprehensively updated to reflect the many fast moving developments associated with this dynamic field this new edition investigates who and where certain cultural products are coming from and why and addresses issues and concerns about their impact all over the world Global

Communication Theories Stakeholders and Trends 5th Edition has been thoroughly updated with new content trends and conclusions all based on the latest data The book examines broadcasting mass media and news services ranging from MSNBC MTV and CNN to television sitcoms and Hollywood export markets It investigates the roles of the major players such as News Corp Sony the BBC Disney Bertelsmann Viacom and Time Warner and probes the role of advertising and the Internet and their ability to transcend national boundaries and beliefs New chapters look at the growing importance and significance of other major regions such as the media in the Middle East Europe and Asia Outlines the major institutions individuals corporations technologies and issues that are altering the international information telecommunication and broadcasting order Focuses on a broad range of issues including social media and new services like Netflix as well as Arab and Asian media Includes major updates on discussion of the Internet to incorporate global events over the last few years such as Russian use thereof Facebook Google Looks at how streaming services such as Netflix Amazon Spotify and more have emerged as dominant players in world entertainment Offers an updated instructor s website with an instructor s manual test banks and student activities Global Communication Theories Stakeholders and Trends 5th Edition is intended as an upper level undergraduate text for students in courses on International Global Communication Global Media Journalism and Media Systems in Journalism Communications or Media Studies Departments

Marketing Communications Chris Fill, Sarah Turnbull, 2019 The new edition of Marketing Communications delivers a rich blend of theory with examples of contemporary marketing practice Providing a critical insight into how brands engage audiences Fill and Turnbull continues to be the definitive marketing communications text for undergraduate and postgraduate students in marketing and related fields The eighth edition which contains two new chapters reflects the changing and disruptive world of marketing communications Throughout the text the impact of digital media and its ability to influence audience client and agency experiences is considered Each chapter has been extensively revised with new examples the latest theoretical insights and suggested reading materials Each of the 22 chapters also has a new case study drawn from brands and agencies from around the world Marketing Communications is recognised as the authoritative text for professional courses such as The Chartered Institute of Marketing and is supported by the Institute of Practitioners in Advertising

Without You Dan Matovina, 2000 Book and CD The story of Badfinger is among the most tragic in the history of rock n roll They were championed by the Beatles yet their two principal songwriters committed suicide An expose of the music business Without You also serves as a tribute to the band s work This revised edition includes a CD of over 72 minutes of music and interviews 300 photos complete listing of studio dates and concerts and a discography

Taylor Swift Carla Mooney, 2025-08-01 Which version of Taylor Swift is your favorite When she burst into the country music scene in the 2000s Swift established a solid fan base with her big voice her passion for music and her songwriting skills When she later made the switch from country to pop and indie folk she revolutionized not only her own music but also the music world Taylor Swift Queen of Reinvention chronicles Swift s life and

career her rise to global stardom and everything in between from feuds and controversies to unparalleled fan support and Swift's dedication to advocacy and social justice Readers learn about Swift's resilience during her fight to maintain the rights to her master recordings and the reinventions that took her from a popular artist to a global icon **In the Hour of Chaos**

Chuck D, 2026-02-10 A profound meditation on hip hop's transformative power In the Hour of Chaos takes us deep into the mind of the genre's most unabashed revolutionary This book is not an autobiography It's not a manifesto It's a razor sharp investigation into hip hop and rap music by searing lyricist and global music icon Chuck D of Public Enemy Engaging with some of the world's leading thinkers on hip hop Professor Chuck sets out on a journey that celebrates fifty years of hip hop and charts paths forward for its future Exploring the intersections of hip hop with Black radicalism and feminism media and technology and globalization and politics this curated collection shows the power of culture and the arts not only to bring people together but to bring about political change in this current hour of chaos Sound Streams Andrew J

Bottomley, 2020-06-01 In talking about contemporary media we often use a language of newness applying words like revolution and disruption Yet the emergence of new sound media technologies and content from the earliest internet radio broadcasts to the development of algorithmic music services and the origins of podcasting are not a disruption but a continuation of the century long history of radio Today's most innovative media makers are reintroducing forms of audio storytelling from radio's past Sound Streams is the first book to historicize radio internet convergence from the early 90s through the present demonstrating how so called new media represent an evolutionary shift that is nevertheless historically consistent with earlier modes of broadcasting Various iterations of internet radio from streaming audio to podcasting are all new radio practices rather than each being a separate new medium radio is any sound media that is purposefully crafted to be heard by an audience Rather than a particular set of technologies or textual conventions web based broadcasting combines unique practices and features and ideas from radio history In addition there exists a distinctive conversationality and reflexivity to radio talk including a propensity for personal stories and emotional disclosure that suits networked digital media culture What media convergence has done is extend and intensify radio's logics of connectivity and sharing sonically mediated personal expression intended for public consideration abounds in online media networks Sound Streams marks a significant contribution to digital media and internet studies Its mix of cultural history industry research and genre and formal analysis especially of contemporary audio storytelling will appeal to media scholars radio and podcast practitioners audio journalism students and dedicated podcast fans **Business Hack** John Lee, 2019-02-06 Master the online tools

available to grow your business and conquer the competition Business Hack is your essential roadmap to business growth and online marketing success Author and successful entrepreneur John Lee shares his proven methods to harness the power of online tools including using social media offering practical steps to create and implement highly effective cyber marketing campaigns Thanks to the digital revolution you no longer need teams of marketing experts and other expensive overheads to

Carroll, Jesper B.

Sørensen, 2021-01-26 Making strategy requires undertaking major often irreversible decisions aimed at long term success in an uncertain future All leaders must formulate a clear course of action yet many lack confidence in their ability to think systematically about their strategy They struggle to apply the abstract lessons offered by conventional approaches to strategic analysis to their unique contexts Making Great Strategy resolves these challenges with a straightforward readily applicable framework Jesper B Sørensen and Glenn R Carroll show that one factor underlies all sustainably successful strategies a logically coherent argument that connects resources capabilities and environmental conditions to desired outcomes They introduce a system for formulating and managing strategy through a set of three core activities visualization formalization and logic and constructive argumentation These activities can be implemented in any organization and are illustrated through examples and case studies from well known companies such as Apple Walmart and The Economist This book shows that while great strategic thinking is hard it is not a mystery Widely applicable and relevant for managers and leaders at all levels especially executive teams charged with setting the course of their organizations it is essential reading for anyone faced with practical problems of strategic management **Newsweek**, 2003 **Chokepoint Capitalism**

Rebecca Giblin, Cory Doctorow, 2022-09-27 A call to action for the creative class and labor movement to rally against the power of Big Tech and Big Media Corporate concentration has breached the stratosphere as have corporate profits An ever expanding constellation of industries are now monopolies where sellers have excessive power over buyers or monopsonies where buyers hold the whip hand over sellers or both In Chokepoint Capitalism scholar Rebecca Giblin and writer and activist Cory Doctorow argue we re in a new era of chokepoint capitalism with exploitative businesses creating

insurmountable barriers to competition that enable them to capture value that should rightfully go to others All workers are weakened by this but the problem is especially well illustrated by the plight of creative workers From Amazon s use of digital rights management and bundling to radically change the economics of book publishing to Google and Facebook s siphoning away of ad revenues from news media and the Big Three record labels use of inordinately long contracts to up their own margins at the cost of artists chokepoints are everywhere By analyzing book publishing and news live music and music streaming screenwriting radio and more Giblin and Doctorow deftly show how powerful corporations construct anti competitive flywheels designed to lock in users and suppliers make their markets hostile to new entrants and then force workers and suppliers to accept unfairly low prices In the book s second half Giblin and Doctorow then explain how to batter through those chokepoints with tools ranging from transparency rights to collective action and ownership radical interoperability contract terminations job guarantees and minimum wages for creative work Chokepoint Capitalism is a call to workers of all sectors to unite to help smash these chokepoints and take back the power and profit that s being heisted away before it s too late

Entertainment Industry Economics Harold L. Vogel, 2020-07-23 Already among the most important sectors of the US economy the entertainment and media industries are continuing to grow worldwide Fully updated the tenth edition of Entertainment Industry Economics is the definitive reference on the economics of film music television advertising broadcasting cable casinos publishing arts and culture performing arts toys and games sports and theme parks Its synthesis of a vast amount of data provides an up to date guide to the economics financing accounting production marketing and history of these sectors in the United States and countries across the globe This edition offers new material on streaming services the relationship between demographics and entertainment spending electromagnetic spectrum for broadcasters and revised FASB accounting rules for film and television Financial analysts and investors economists industry executives accountants lawyers regulators and journalists as well as students preparing to join these professionals will benefit from this invaluable source

Be More Pirate Sam Conniff Allende, 2018-12-18 Pirates didn t just break the rules they rewrote them They didn t just reject society they reinvented it Pirates didn t just challenge the status quo they changed everyf ckingthing Pirates faced a self interested establishment a broken system industrial scale disruption and an uncertain future Sound familiar I d rather be a pirate than join the navy Steve Jobs Pirates stood for MISCHIEF PURPOSE and POWER And you can too Be More Pirate unveils the innovative strategies of Golden Age pirates drawing parallels between the tactics and teachings of legends like Henry Morgan and Blackbeard with modern rebels like Elon Musk Malala and Banksy Featuring takeaway sections and a guide to building your own pirate code 2 0 Be More Pirate will show you how to leave your mark on the 21st century 1 Rebel Draw strength by standing up to the status quo 2 Rewrite Bend break but most importantly rewrite the rules 3 Reorganize Collaborate to achieve scale rather than growth 4 Redistribute Fight for fairness share power and make an enemy of exploitation 5 Retell Weaponize your story then tell the hell out of it

Whatever your ambitions ideas and challenges Be More Pirate will revolutionize the way you live think and work today and tomorrow So what are you waiting for Join the rebellion The Deal ,2010 *Catalog of Copyright Entries* Library of Congress. Copyright Office,1970 *Pop Goes to Court: Rock 'N' Pop's Greatest Court Battles* Brian Southall,2009-11-11 Elvis Ozzy George Michael Metallica George Harrison The Smiths They ve all been involved in legal action over the past fifty years or so Pop Goes To Court recalls some of the most entertaining and bizarre court cases ever to take rock n rollers into a courtroom Bono went all litigious over a disappearing hat one Beatle filed suit against the other three and forty years after it was a big hit Procol Harum s A Whiter Shade Of Pale was suddenly the focus of a bitter legal wrangling over who actually wrote it Author Brian Southall digs deep into some of the most memorable music disputes ever to merit the sober deliberations of the law and in doing so reveals much about our changing views on fame and the value of publicity *Trade in Knowledge* Antony Taubman,Jayashree Watal,2022-03-17 Technological change has transformed the ways knowledge is developed and shared internationally Accordingly in the quarter century since the WTO was established and since its Agreement on Trade Related Aspects of Intellectual Property Rights came into force both the knowledge dimension of trade and the functioning of the IP system have been radically transformed The need to understand and respond to this change has placed knowledge at the centre of policy debates about economic and social development Recognizing the need for modern analytical tools to support policymakers and analysts this publication draws together contributions from a diverse range of scholars and analysts Together they offer a fresh understanding of what it means to trade in knowledge in today s technological and commercial environment The publication offers insights into the prospects for knowledge based development and ideas for updated systems of governance that promote the creation and sharing of the benefits of knowledge
