Sociocultural and Multicultural Meanings in Online Communication Taiwo, Rotimi, 2025-06-16 In today s digital era communication is no longer bound by geographical or cultural borders as sociocultural meanings are constantly reshaped and shared across global networks The rise of digital media has introduced new modes of expression that enrich and complicate how meaning is constructed and interpreted This

shift toward multimodal and multicultural literacies reflects broader societal transformations where individuals engage with diverse perspectives and identities in online spaces Understanding these dynamics is essential for education cross cultural dialogue and effective communication in increasingly interconnected societies Sociocultural and Multicultural Meanings in Online Communication presents issues on sociocultural and multimodal meanings in online discourse from multi and interdisciplinary perspectives It offers diverse disciplinary views on the projection of sociocultural and multimodal meaning online Covering topics such as online interactions linguistic diversity and online content creation this book is an excellent resource for communication specialists media specialists linguists sociologists psychologists professionals researchers scholars academicians and more

Soviet Consumer Culture in the Brezhnev Era Natalya Chernyshova, 2013-06-26 After decades of turmoil and trauma the Brezhnev era brought stability and an unprecedented rise in living standards to the Soviet Union enabling ordinary people to enjoy modern consumer goods on an entirely new scale This book analyses the politics and economics of the state's efforts to improve living standards and shows how mass consumption was often used as an instrument of legitimacy ideology and modernization However the resulting consumer revolution brought its own problems for the socialist regime Rising well being and the resulting ethos of consumption altered citizens relationship with the state and had profound consequences for the communist project The book uses a wealth of sources to explore the challenge that consumer modernity was posing to Soviet mature socialism between the mid 1960s and the early 1980s It combines analysis of economic policy and public debates on consumerism with the stories of ordinary people and their attitudes to fashion Western goods and the home The book contests the notion that Soviet consumers were merely passive abused eternally queuing victims and that the Brezhnev era was a period of stagnation arguing instead that personal consumption provided the incentive and the space for individuals to connect and interact with society and the regime even before perestroika This book offers a lively account of Soviet society and everyday life during a period which is rapidly becoming a new frontier of historical research
