## Disney Plus This Month:

**MCU** Joanna Robinson, Dave Gonzales, Gavin Edwards, 2023-10-10 INSTANT NEW YORK TIMES BESTSELLER Empire Christmas Gift Guide 2024 Books For Movie Lovers A superb chronicle of how Marvel Studios conquered Hollywood This definitive account of the Hollywood juggernaut thrills Publishers Weekly starred review The unauthorized behind the scenes story of the stunning rise and suddenly uncertain reign of the most transformative cultural phenomenon of our time the Marvel Cinematic Universe Marvel Entertainment was a moribund toymaker not even twenty years ago Today Marvel Studios is the dominant player both in Hollywood and in global pop culture How did an upstart studio conquer the world In MCU beloved culture writers Joanna Robinson Dave Gonzales and Gavin Edwards draw on more than a hundred interviews with actors producers directors and writers to present the definitive chronicle of Marvel Studios and its sole ongoing production the Marvel Cinematic Universe For all its outward success the studio was forged by near constant conflict from the contentious hiring of Robert Downey Jr for its 2008 debut Iron Man all the way up to the disappointment of Ant Man and the Wasp Quantumania and shocking departures of multiple Marvel executives in 2023 Throughout the authors demonstrate that the original genius of Marvel was its resurrection and modification of Hollywood's old studio system But will it survive its own spectacular achievements Dishy and authoritative MCU is the first book to tell the Marvel Studios story in full and an essential effervescent account of American mass culture **Disney's Animated Classics** Stephen Röttsch

Thomas, 2025-12-30 Which Disney character is responsible for the most onscreen deaths What are the entry requirements for becoming a Disney Princess Why is Jiminy Cricket always breaking into people's homes In Disney's Animated Classics Stephen Röttsch Thomas explores the iconic features from the studio's first 100 years from Snow White to Wish A love letter to storytelling and collaboration each chapter takes readers behind the scenes of a different movie uncovering the hidden secrets creative geniuses and surprising connections that will enthral die hard Disney fans and casual viewers alike Disney's Animated Classics examines how the studio's films have shaped and been shaped by the world around them and how they have attempted to reflect a changing culture From the studio's representation of race and sexuality to its fluctuating creative fortunes through the decades Röttsch Thomas offers an unflinchingly funny history of one of the biggest icons in cinema His unauthorized deep dive is an irreverent but loving tribute to the films that have defined generations of childhoods Whether you're a self-proclaimed Disney Adult a film fan looking to learn about the animation behemoth or just someone trying to understand why Robin Hood was responsible for your sexual awakening there's something for you here *Performance and the Disney Theme Park Experience* Jennifer A. Kokai, Tom Robson, 2025-07-02 Most scholars and critics deny agency to the tourist in their engagement with the Disney theme park experience The vast body of research and journalism on the Disney Imagineers the designers and storytellers who construct the park experience leads to the misconception that these exceptional artists puppeteer every aspect of the guest's experience This anthology now in its second edition re-centers the

park experience around its protagonist the tourist and addresses the Disney Parks using performance theory an approach few to no scholars had used prior to the first edition The authors of the individual essays as well as the Introduction by Kokai and Robson and an Afterword by world renowned tourism and performance expert Susan Bennett recognize the inherently complicated nature of Disney Many of the contributors consider themselves Disney fans but also recognize the potentially problematic aspects of Disney parks This collection permits both perspectives to exist side by side informing rather than contradicting each other

**Reasserting the Disney Brand in the Streaming Era** Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07 Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment the move from content creation to acquisition and streaming and how the company reasserted its brand in a changing marketplace Exploring how Disney's acquisition of Pixar Marvel Lucasfilm and Fox positioned the company to launch the Disney streaming service the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies political economy Disney studies media industries and new technology

Federal Communications Commission,1995      **REAL - Yearbook of Research in English and American Literature, Volume 38** Laura Bieger,Johannes Völz,2024-04-29 Celebrating the 80th birthday of Winfried Fluck this volume of REAL gathers leading US American and European literary scholars from English and American Studies to engage some of his classic essays covering topics that range from the aesthetics of early American literature to the history of our digital present and from the Americanization of literary studies to the search for American democratic culture Each of the volume s twelve dialogues consists of a republished essay by Fluck and a response by one his interlocutors written specifically for this occasion Contributors include field defining scholars long time companions and colleagues whose intellectual trajectory has been impacted by Fluck s incisive metacriticism and his reception oriented approach to literary and cultural history The twelve dialogues reassess debates that have shaped literary studies in the late twentieth century and they inquire into the paradigmatic shifts that are currently reorganizing the field      **Disney Theme Parks and America's**

**National Narratives** Bethanee Bemis,2022-12-27 Disney Theme Parks and America s National Narratives takes a public history approach to situating the physical spaces of the Disney brand within memory and identity studies For over 65 years Disney s theme parks have been important locations for the formation and negotiation of the collective memory of the American narrative Disney s success as one of America s most prolific storytellers its rise as a symbol of America itself and its creation of theme parks that immerse visitors in three dimensional versions of certain American values and historic myths have both echoed and shaped the way the American people see themselves Like all versions of the American narrative Disney

s vision serves to reassure us affirm our shared values and unite a diverse group of people under a distinctly American identity or at least it did The book shows how the status Disney obtained led the public to use them both as touchstones of identity and as spaces to influence the American identity writ large This volume also examines the following how Disney s original cartoons and live action entertainment offerings drew from American folk history and ideals how their work during World War II cemented them as an American symbol at home and abroad how the materialization of the American themes already espoused by the brand at their theme parks created a place where collective memory lives how legitimization by presidents and other national figures gave the theme parks standing no other entertainment space has how Disney has changed alongside the American people and continues to do so today This book will be of interest to students and scholars of history media cultural studies American studies and tourism

**Rupturing Rhetoric** Byron B

Craig,Patricia G. Davis,Stephen E. Rahko,2024-06-20 Contributions by Maksim Bugrov Byron B Craig Patricia G Davis Peter Ehrenhaus Whitney Gent Christopher Gilbert Oscar Giner J Scott Jordan Euni Kim Melanie Loehwing Jaclyn S Olson A Susan Owen Stephen E Rahko Nick J Sciallo Arthur D Soto V squez and Erika M Thomas The events surrounding the 2014 killing of Michael Brown in Ferguson Missouri marked a watershed moment in US history Though this instance of police brutality represented only the latest amid decades of similar unjust patterns it came to symbolize state complicity in the deployment of violence to maintain racial order Rupturing Rhetoric The Politics of Race and Popular Culture since Ferguson responds to the racial rhetoric of American popular culture in the years since Brown s death Through close readings of popular media produced during the late Obama and Trump eras this volume details the influence of historical and contemporary representations of race on public discourse in America Using Brown s death and the ensuing protests as a focal point contributors argue that Ferguson marks the rupture of America s postracial fantasy An ideology premised on colorblindness the notion of the postracial suggests that the United States has largely achieved racial equality and that race is no longer a central organizing category in American society Postracialism is partly responsible for ahistorical romanticized narratives of slavery Jim Crow segregation and American exceptionalism The legitimacy of this fantasy the editors contend was the first casualty of the tanks tear gas and rubber bullets wielded against protesters during the summer of 2014 From these protests

emerged a new political narrative organized around BlackLivesMatter which directly challenged the fantasy of a postracial American society Essays in Rupturing Rhetoric cover such texts as Fresh Off the Boat Hamilton Green Book NPR s American Anthem Lovecraft Country Disney remakes of Dumbo The Lion King and Lady and the Tramp BlackKlansman Crazy Rich Asians The Hateful Eight and Fences As a unified body of work the collection interrogates the ways contemporary media in American popular culture respond to and subvert the postracial fantasy underlying the politics of our time Contemporary Strategy Analysis, with eBook Access Code Robert M. Ledger,2025-10-02 The Question of Skill offers a re thinking of how theatre making might be understood as a skilled craft and process exploring how contemporary professional contexts allow skill to emerge in a multitude of ways often as a result of collective knowledge and collaboration The book argues that notions of skill tend to be uncritically accepted to suggest abilities that are learnt and applied or associated with a particular and stable set of techniques But skill is instead never a neutral term but suggests processes values and systems This study covers topics such as training rehearsing and performing with a focus on the roles of the actor

and director As well as interdisciplinary theoretical perspectives especially drawn from cognitive studies it also discusses examples of skill as virtuosic performance Throughout the book draws on first hand observations of international contemporary theatre makers in rehearsal and performance including the contemporary work of Katie Mitchell Anne Bogart Odin Teatret the RSC the National Theatre and Encounter Productions As well as diverse training rehearsal and performance contexts it includes *Fevered Sleep* s Men Girls Dance 2016 Simon Stone s *Phaedra* National Theatre 2023 and Jan Fabre s *Mount Olympus To Glorify the Cult of Tragedy* 2015 It probes how theatre is made as an always skilled human endeavour and in a post Covid age what the future may bring

#### The Magic Kingdom and the Meaning of Life Adam Kadlac,2025-09-02

What truths and life lessons can we take away from a seemingly trivial theme park in Orlando Florida Father and philosopher Adam Kadlac reflects on his own visits to Walt Disney World arguing that Disney theme parks are a remarkably fruitful environment in which to reflect on the human condition On the one hand engagement with the worlds of Disney is a pervasive feature of many peoples everyday experience On the other hand the fantastical nature of Disney theme parks casts light on aspects of our lives that may otherwise seem unremarkable If on a day out at the Magic Kingdom we pause to absorb our surroundings our thoughts can quickly turn to all sorts of important topics and questions authenticity and pleasure what it means for corporations to play such a large role in our culture whether nostalgia is always bad and of course princesses so so many princesses *The Magic Kingdom and the Meaning of Life* will challenge Disney lovers and sceptics alike to think more deeply about the things that matter to them
