Make Simple Offers Feel Premium: Pricing Psychology That Elevates Value Onyeka Godfrey,2025-08-04 People don t pay more because you do more They pay more because it feels worth more This book unpacks the subtle art of pricing psychology and premium perception You ll discover how to position even the simplest offer as high value through clarity packaging presentation and trust It s not about adding bells and whistles It s about understanding what makes an offer feel exclusive elegant and powerful in the eyes of your customer Learn how to signal quality frame transformation and attract clients who value results over volume This is how simple starts to look and sell like luxury

Stay-at-work and Back-to-work Strategies United States. Congress. Senate. Committee on Health, Education, Labor, and Pensions,2014 *Predicting Trends and Building Strategies for Consumer Engagement in Retail Environments* Granata, Giuseppe,Moretta Tartaglione, Andrea,Tsiakis, Theodosios,2019-05-30 Global economic scenarios are increasing in complexity due to the recent global financial crisis globalization the evolution of ICT and the changing behaviors of consumers This has made it difficult to predict trends and build strategies within the retail industry As a result long term forecasts and schedules are not possible and more research is needed to explore today s consumer profile and set the frameworks for future recovery strategies *Predicting Trends and Building Strategies for Consumer Engagement in Retail*

Environments is a pivotal reference source that provides practical insights into improving the understanding of complex retail environments and consumer shopping behaviors in order to predict trends and develop strategies for retailers in times of economic crisis. While highlighting topics such as consumer engagement, industry models, and market globalization, this publication explores qualitative and quantitative methods of interest and the multidisciplinary approaches revolving around the industry. This book is ideally designed for marketers, managers, practitioners, retail professionals, academicians, researchers, and students seeking current research on relationship marketing, digital marketing, service management, and complexity theories.

Beyond Design Sandra J. Keiser, Deborah A. Vandermar, Myrna B. Garner, 2022-01-01 The Synergy of Apparel Product Development Fifth Edition maps the processes required to bring apparel products from concept to consumer. This full color text takes students step by step through the decision making involved in the pre production processes of apparel product development including business, creative, technical, and production planning. Updated chapter content reflects evolving industry practice. It demonstrates how these processes must be coordinated to get the right product to market when consumers want it and at a price they are willing to pay in an increasingly digital environment. The text seeks to address how functional approaches vary depending on a business's size and fashion focus. More global in scope, the fifth edition includes examples and case studies of multi national companies and incorporates global nomenclature when it differs from the US industry. This new edition also advances its discussion of how new technologies continue to shorten the product development calendar. The book is written to help students anticipate the chaotic pace of change not only in fashion trends but also in the fashion system itself.

The SAGE Handbook of Social Media Research Methods Anabel Quan-Haase, Luke Sloan, 2022-09-02 The SAGE Handbook of Social Media Research Methods spans the entire research process from data collection to analysis and interpretation. This second edition has been comprehensively updated and expanded from 39 to 49 chapters. In addition to a new section of chapters focussing on ethics, privacy, and the politics of social media data, the new edition provides broader coverage of topics such as Data sources, Scraping and spidering data, Locative data, video data, and linked data, Platform specific analysis, Analytical tools, Critical social media analysis. Written by leading scholars from across the globe, the chapters provide a mix of theoretical and applied assessments of topics and include a range of new case studies and data sets that exemplify the methodological approaches. This Handbook is an essential resource for any researcher or postgraduate student embarking on a social media research project.
