internationally bestselling author of The Plight Before Christmas and The Ravenhood Trilogy comes a heartwarming spicy holiday themed romantic dramedy with ALL of the FEELS Now an AMAZON Top 20 Best Seller 1 Best Seller in Small Town Romance 1 Best Seller in Enemies to Lovers Romance 1 Best Seller in New Adult College Romance My kids are a holes Yeah I said it I said the thing no father is supposed to say about their children and I ll say it again because I miss my wife Serena s checked out and now resides in yes dear robot mode complete with a new eye twitch Reason being the impish elves we spawned are currently sucking the life out of her daily Thanks to Gracie and Peyton my patience is hanging by the last orange bulb on a very thin green wire Thank God we re headed to Triple Falls A week of Ruby s eggnog and a little change of scenery could be just what the woman I love needs to find her way back to herself and to me But the closer we get to packing up the shorter my fuse becomes and the more I m starting to get ideas of taking drastic measures And by drastic I mean our little goblins won t be the only ones making Rudolph s naughty list I ve had enough I m not giving in this time No amount of alligator tears or fake apologies are going to cut it Ironically the more I man up and take charge the more Serena and I are starting to reminisce about the good old days which is quickly adding up to some heated nights Come hell or high water this Christmas our kids are going to learn to appreciate the parents they ve got because I m getting my girl back even if the two little hellions we created have to pay to bring her back to me little f ckers The Sleight Before Christmas is book 2 in The Holiday Hijinx series While it can be read as a stand alone it is highly recommended that you read The Plight Before Christmas first Holiday Hijinx Book 1 The Plight Before Christmas Book 2 The Sleight Before Christmas Both books in Holiday Hijinx are packed with adult shenanigans laugh out loud outrageous content colorful language adults behaving badly as well as hefty doses of spice

His Hideous Heart Dahlia Adler,2025-09-23 Thirteen of YA s most celebrated names reimagine Edgar Allan Poe s most surprising unsettling and popular tales for a new generation Edgar Allan Poe may be a hundred and fifty years beyond this world but the themes of his beloved works have much in common with modern young adult fiction Whether the stories are familiar to readers or discovered for the first time readers will revel in both Edgar Allan Poe s classic tales and in the 13 unique and unforgettable ways that they ve been brought to life Contributors include Dahlia Adler reimaging Ligeia Kendare Blake Metzengerstein Rin Chupeco The Murders in the Rue Morgue Lamar Giles The Oval Portrait Tessa Gratton Annabel Lee Tiffany D Jackson The Cask of Amontillado Stephanie Kuehn The Tell Tale Heart Emily Lloyd Jones The Purloined Letter amanda lovelace The Raven Hillary Monahan The Masque of the Red Death Marieke Nijkamp Hop Frog Caleb Roehrig The Pit and the Pendulum and Fran Wilde The Fall of the House of Usher [Beneath the Burning Sea](#) Amanda Bouchet,2025-05-27 SHE LL BURN BRIGHT ENOUGH TO RIVAL GODS Separated from everyone they know and love sworn warriors and warring allies Bellanca and Carver are on a gods given mission travel to the famed realm of Atlantis fight through every danger that awaits them and find the Shard of Olympus in order to end Atlantis s generations long magical punishment all in Zeus s name Zeus needs an army if he has any hope of stopping Olympus s bloody coup and

headstrong fire Magoi Bellanca knows it's her duty to deliver one no matter the cost to herself to her own growing magic or to the man she's come to desire with all the flames in her heart He left everything behind in order to guard her back as she faces down her destiny and Carver swears that together they can overcome any obstacle But finding the shard is no easy task and it's not long before Bellanca and Carver are dragged into the center of a deadly game of gods one not even their combined hearts may be strong enough to survive Discover exciting bonus material including maps illustrations and an expanded look at the world of Thalyria Fans of Jennifer Armentrout Scarlett St Clair and Sarah J Maas will burn for this spicy romantic fantasy The Kingmaker Chronicles A Promise of Fire Book 1 Breath of Fire Book 2 Heart on Fire Book 3 A Curse of Queens A Kingmaker Chronicles novel Book 1 Beneath the Burning Sea A Kingmaker Chronicles novel Book 2 Readers are raving about the Kingmaker Chronicles Give this to your Game of Thrones fans Booklist STARRED Review Loved it ELOISA JAMES New York Times bestselling author Utterly breathtaking DARYNDA JONES New York Times bestselling author Masterful worldbuilding Kirkus STARRED Review Absolutely fabulous C L WILSON New York Times bestselling author Magic action romance everything I love in a series JENNIFER ESTEP New York Times and USA Today bestselling author Sweeping in its world building and poignant in its emotion A Homeric trilogy not to be missed GRACE DRAVEN USA Today bestselling author Easily my favorite book of 2016 Bookriot Delivers with both heat and heart loved it JEFFE KENNEDY award winning author Honeybee Trista Mateer,2025-08-01 You will meet people in your lifetime who demand to have poems written about them It's not something they say It's something about their hands the shape of their mouths the way they look walking away from you A collection that will beg you to be dogeared coffee stained or anyone interested in bisexuality heartbreak running away from your problems and coming out Look for Trista Mateer's other book of poetry Aphrodite Made Me Do It and her contribution to Dis Connected Volume 1 Poems Stories of Connection and Otherwise **Global Public Goods Communication** Sónia Pedro Sebastião,Anne-Marie Cotton,2025-06-06 This book examines the critical role of communication in advancing knowledge and participation in the governance of global public goods GPG Central to any theory of GPG is the role of information as raising awareness requires creating credible messages and narratives The book highlights the importance of agency understanding actors their interconnections and how they negotiate and govern GPG The book argues for a nuanced understanding of democracy suggesting a broader interpretation that prioritizes public deliberation and reflection Key premises include the necessity of institutional legitimacy active citizen participation structured partnerships and transparent communication channels for sustainable development The book underscores that communication is fundamental to change processes sustainable citizenship and the realization of human rights including the right to information and freedom of expression By doing so it advocates for an eighteenth Sustainable Development Goal responsible communication The book will appeal to students scholars and researchers of international relations communication and public policy as well as to policy makers and professionals at international organizations think tanks and

NGOs seeking theoretical foundations for communication strategies and stakeholder engagement practices **Being at Work** Mark Cole, 2025-11-18 This thought provoking and ground breaking book offers a way for us all to consider our experience of being at work and of the nature of working life Written in an engaging and accessible style it presents the practical means by which to apply central features of existentialism to make sense of how we relate to work and the workplace These include topics such as freedom and choice looking for purpose and making meaning and authenticity We spend a great deal of time at work and being at work is often a challenge Reference to the past in a corporate context tends to see it as a graveyard for errors and failures the future is something articulated by senior leaders and the place to which we are expected to travel in terms of their definition The specious present is the place where we experience our being in the moment the location where we do our work but it is rarely acknowledged in the places where we work This book offers new insights into how we can all meaningfully live our lives in the context of the world of work To do this it offers a personalised understanding of the existentialist way of philosophising It looks to simplify complex concepts in order to offer the reader a different way of thinking about the time that they spend at work and how they might consider different and more positive ways of being in such an environment It recognises that we spend a considerable amount of our life in the workplace and so argues that we need to consider that and find ways in which to make that experience personally meaningful Where other practices designed to help people to make sense of their actual experience are introspective existentialism is reflexive and active Similarly where those other approaches are deeply individualistic existentialism constantly reminds us that our choices are undertaken in relation to others and that they have a collective implication Whether you are keen to make sense of your experience of workplace and what it means to be a human being in that context or looking to explore how you embrace the challenges of being a leader in business this book will offer you rich perspectives for sense making and ways of rethinking your presence at work *Marketing and Social Media* Lorri Mon, Christie Koontz, 2025-09-18 *Marketing and Social Media A Guide for Libraries Archives and Museums* is a much needed guide to marketing for libraries archives and museum professionals in the social media age This book is both an introductory textbook and a guide for working professionals on developing a comprehensively planned marketing campaign that integrates social media into a holistic marketing strategy Beginning with mission goals and objectives readers will put together working knowledge of the essential components for planning a marketing campaign Chapters cover how to do a strengths weaknesses opportunities and threats SWOT analysis identify and involve stakeholders a 4 step marketing model market research market segmentation market mix strategy and evaluation The final chapter From the Social Media Manager s Perspective Putting it all Together guides readers through first days on the job of taking over an organization s social media marketing efforts and the steps to be taken in the first days weeks and months that follow including promotional and assessment activities Throughout the book chapters include examples from marketing campaigns key terms and discussion question activities which can be developed into classroom or

workshop assignments Illustrative case study examples from libraries archives and museums are embedded throughout the chapters The new edition provides more extensive examples from all three types of institutions as well as other relevant nonprofit and government organizations and features updated coverage of social media technologies techniques and practices

Choices LeAnn Newsom, 2025-11-03 Were you aware various studies show the average adult makes over thirty three thousand total decisions choices in a day These include what you eat what you wear what you say and how you say it Think how much work that is right there Let s suppose you sleep seven hours a day new moms excluded then roughly you re making two thousand decisions choices per hour That comes out to one decision every two seconds Whew Tired already With statistics like this you can understand the necessity of reviewing every decision A choice is simply what you decide to do or not to do every moment of every day Your belief system plays into this with your moral values being a guiding factor for your decisions It is the lens you look through for outcome Every choice you make leads to a consequence whether good or bad When you put this truth together with the fact that you have a limited amount of time you gain a new perspective on how you spend your time If that alone was all the information given I believe it would point you to the necessity of making the most out of your day which requires making wise choices with your time Are you Do you think before acting Do you ask God to help you stay in his will throughout the day Do you pray against the lure of distraction Or do you just barely survive the days Barely surviving or just getting by was never God s plan for you Your life was meant to make an eternal impact However for this to occur you must make the choice to slow down and make choices wisely looking through the lenses of eternity and not what feels good now The choice to exit the highway of distractions detours and empty delays to the two lane road where the drive is slow enough to see the opportunities around you This is where you will find God s purpose peace contentment and fulfillment Are you ready to look at your choices as what they are The attraction and lure of the things of our hearts are attached too A determination of the will is required to make the choices needed that brings God the most glory and puts our wants aside Compromise and casual Christianity have become common and you were meant for more than that Dig through the choices made by God s people that have come and gone before you and glean from their mistakes and triumphs You might discover your every moment s choices have greater ramifications than you ever thought

information is staggering The Times *Hard to Forgive (A Shade Darker Book 3)* Georgia Rose,2024-03-01 Long held secrets A lifetime of guilt A woman abandoned Her ex now married How long will she wait to exact her revenge Betrayal birth and bereavement Dora Smith had faced it all by the age of twenty Alone she tracks down her former lover planning to reveal everything to him and his new wife But with their first child on the way she can't bring herself to rock their relationship Instead she plays the long game watching waiting wanting him to put a foot wrong Never dreaming it would take a lifetime Then another love is lost Is this the tipping point that pushes Dora into a spiral of self destruction Or had that been triggered long before Hard to Forgive is a gripping domestic thriller If you like character driven action suspenseful storytelling and unexpected twists then you'll love this exciting novel *RISE AGAIN FINISH STRONG* Lloyd Walsh,2025-08-04 When the life you've meticulously built crumbles and the path forward vanishes where do you find the strength to take another step Lloyd Walsh's Rise Again is a deeply personal and gripping journey through unimaginable trials that threatened to extinguish all hope Faced with profound loss a crisis of faith and crippling self doubt he battled to find meaning in a future he never envisioned Pushed to his absolute limits an unexpected encounter sparked a new possibility forcing him to confront his darkest fears Shared with raw honesty and interwoven with the unique perspectives of his three daughters this is more than one man's story It's an unfiltered look into a family's fight to overcome the unimaginable Discover the true power of a comeback and how even when your world tilts on its axis it's possible not just to stand but to soar **Sustainability in Creative Industries** Muhammad Nawaz Tunio, Angeles Sánchez, Yasmin Moanis Latif Hatem, Ayman M. Zakaria,2024-04-03 This book discusses a compelling array of topics at the intersection of entrepreneurship education and technological innovation within the creative industries It delves into a captivating exploration of sustainable entrepreneurship in Part 1 where key characteristics of sustainable entrepreneurs and factors influencing entrepreneurial intention are dissected By unearthing the nexus between entrepreneurial alertness networking capability and venture performance it provides intriguing insights into sustaining traditional crafts and brands amid the COVID 19 pandemic The following parts not only unveil current innovative pedagogical strategies in creative design education but propels you into the future exploring the harmonious fusion of academia and industry in sustainability driven programs Designed for educators students researchers and practitioners in entrepreneurship design and technology fields this book offers a transformative journey into sustainable practices innovative pedagogies and cutting edge advancements Engaging informative and thought provoking it is a must read for those seeking to shape the future of creative industries through entrepreneurship education and innovation **Digital Social Reading** Federico Pianzola,2025-01-21 How digital social reading apps are powerfully changing and nurturing the way we read Conventional wisdom would have us believe that digital technology is a threat to reading but in Digital Social Reading Federico Pianzola argues that reading socially through digital media can help people grow a passion for reading and in some cases even enhance text comprehension Digital social reading DSR is a term that

encompasses a wide variety of practices related to the activity of reading and using digital technologies and platforms websites social media mobile apps to share thoughts and impressions about books with others This book is the first systematization of DSR practices drawing on case studies from Wattpad AO3 and Goodreads on a worldwide scale Using a combination of qualitative and computational methods Pianzola offers fresh insight into the reading experience on the scale of big data He discusses the impact of digital technology on reading skills and shows that a change of methodological perspective is necessary to understand the positive potential of DSR for promoting reading more broadly He argues that it is not just the medium that changes but also the context and the attitudes of readers He also asserts that grassroots media and open bottom up communities are crucial to the success of many reading practices today especially with young audiences

Corporate Risks and Leadership Eduardo E. Mariscotti, 2025-04-24 The context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law Because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of fines for noncompliance have increased dramatically In parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people This change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal with this more complex environment To transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition While each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain This book is a source of information that connects yesterday with today The author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves This book covers theories of ethics but with an eye focused on practical application Risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or technical and regulatory details Ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations Thus due to the importance of risk management in the business world and the necessary involvement of the CEO and the board of directors it seems appropriate that executives get access to this book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader This second edition offers various examples to cultivate ethical thinking and behavior identify common risks and comprehend their adverse effects on organizations
