Tara Westover's internationally feted debut *Educated* is a no-holds-barred memoir of her life growing up in an ultra-conservative survivalist Mormon family in Idaho in the 1990s. This is the inspirational story of how, having never been inside a classroom till she was seventeen, Westover went on to study at Cambridge and Harvard and write a book that has been lauded by people like Bill Gates and Barack Obama. This is also the story of the other America that, despite existing in our midst, continues to be suspect of the government and disowns children who try to join the mainstream. **DISCLAIMER:** This book is intended as a companion to, not a replacement for, *Educated*.
