Medoff, Barbara K. Kaye, 2016-12-01 Electronic Media Then Now and Later provides a synopsis of the beginnings of electronic media in broadcasting and the subsequent advancements into digital media. The Then Now and Later approach focuses on how past innovations laid the groundwork for changing trends in technology, providing the opportunity and demand for evolution in both broadcasting and digital media. An updated companion website provides links to additional resources, chapter summaries, study guides, and practice quizzes, instructor materials, and more. This new edition features two new chapters: one on social media and one on choosing your entertainment and information experience. The then now later thematic structure of the book helps instructors draw parallels and contrasts between media history and current events, which helps get students more engaged with the material. The book is known for its clear, concise, readable, and engaging writing style, which students and instructors alike appreciate. The companion website is updated and offers materials for instructors: an IM PowerPoint slides and test bank. **Badass Women and Hashtagged Zombies** Allison Christina Budaj, 2024-10-25 In its evolution from graphic novels to a sprawling multimedia universe, the impact of The Walking Dead cannot be understated. Beyond its narrative roots, a passionate community of viewers uses social media to delve deeper into the anxieties and social issues portrayed within the narrative universe. This book uses fan discussions on social media platforms to analyze the series' appeal and its ability to provoke discussions about survival, societal norms, and gender roles, leading to a significant online presence and discussions about the characters' actions and societal issues portrayed. Viewers perceive and champion unconventional actions, especially as the leading female characters defy traditional gender roles. With the introduction of more diversity, the progression of characters within The Walking Dead and its spinoffs continues to disrupt stereotypes. Focusing on analyzing audience engagement with

AMC's *The Walking Dead* and its spinoffs through social media this book highlights how fan based interactions in creating a participatory culture around the series highlight societal issues presented offering interpretations theories and personal connections By integrating fan commentary into the analysis fans act as active collaborators in understanding the impact of *The Walking Dead* universe as a meaningful popular culture artifact
