[Inclusive Learning 365](#) Christopher R. Bugaj,Karen Janowski,Mike Marotta,Beth Poss,2021 Educators across the world are working to design individualized instruction that empowers every

student to become experts at learning Technology and instructional interventions designed to support students with disabilities often eventually become mainstream and used by the masses These practices provide a pathway for designing inclusive equitable and accessible educational experiences that meet the needs of every individual learner This engaging book includes daily strategies accompanied by examples of tools that can be implemented immediately to design meaningful instruction Topics covered include role playing games for social emotional learning building literacy through captioned video coding to teach early literacy text to speech for math and reading and much more The heart of the book is the shift in mindset that occurs by exploring a different practical inclusive strategy each day and infusing these strategies into everyday practice

Implementation of the Job Training Partnership Act United States. Congress. House. Committee on Government Operations. Manpower and Housing Subcommittee,1983

Designing Second Language Performance Assessments John M. Norris,1998 This volume focuses on the decision making potential provided by second language performance assessments The authors first situate performance assessment within a broader discussion of alternatives in language assessment and in educational assessment in general They then discuss issues in performance assessment design implementation reliability and validity Finally they present a prototype framework for second language performance assessment based on the integration of theoretical underpinnings and research findings from the task based language teaching literature the language testing literature and the educational measurement literature The authors outline test and item specifications and they present numerous examples of prototypical language tasks They also propose a research agenda focusing on the operationalization of second language performance assessments
