Scholarship Boy Larry I. Palmerr, 2020-04-28 Palmer was fourteen years old in September 1958 when he made the unlikely journey alone by train to Phillips Exeter Academy in New Hampshire It is impossible to read this boy s story ninth child of ten and the sixth of seven sons without feeling the loneliness of that first passage away from home a black boy crossing into a bastion of white privilege and the scale of the transformation that awaited him Carrie Brown author of *The Stargazer s Sister* My friendship with Larry has been among the most enduring of my Exeter friendships but before I read his memoir of social and racial dislocation I never knew the story that unfolded in the home Larry left when he came to Exeter Larry s remarkable family story gives me a deeper appreciation of someone I met as a teenager and have known all my life As a teammate and a friend I always loved Larry Now I understand him more John Irving Larry Palmer s *Scholarship Boy* is a poignant exploration of family longing and cultural disorientation seen through the eyes of an African American teenager sent to live and study at a prestigious New England prep school in the 1950s This absorbing story reminds us that the questions of race and identity we wrestle with today are nothing new and progress when it comes at all often comes at a snail s pace Dinty W Moore author of *Between Panic Desire* Near the end of Larry Palmer s fine memoir *Scholarship Boy* his family tries to assemble for a family portrait The picture is difficult to compose the family members are moving hither and yon reassembling in different configurations struggling to honor the intricacies that govern the Palmer clan And they are a rich and complex family with Lear like grand personalities *Scholarship Boy* is also a book about a very brilliant young man who went to Phillips Exeter Harvard College and Yale Law School It is a tale of his loneliness his desire to honor his parents dictates his difficulty in living in two worlds and his ability thank goodness to find mentors institutions and friends to sustain him It is also a very poignant narrative full of pathos and love about one family s participation in recent African American history including segregation school integration and dreams fulfilled and nullified Honest gracefully written and uncompromisingly vulnerable Larry Palmer s book is unceremoniously generous Palmer does not grandstand He is never simply this or that He is in the best sense simply himself A man trying to stand in a furious whirlwind Kenneth A McClane W E B DuBois Professor of Literature Emeritus Cornell University On the surface this is the story of a black boy s adventure of finding his way in the all white blazers ties and sports world of an all boys boarding school in the 1950s Its heart however is the family this boy comes from As the next to the youngest of ten it was the older brothers and sisters who gave this scholarship boy the chops to navigate the treacherous waters of an alien world with aplomb and make the best of his opportunities What an apt tribute that each of them gets to step into the limelight of this luminous coming of age memoir
