Bestseller One thing I've learned being around Gary for the last decade is that when he sees new consumer trends or new best practices in marketing people should listen and act on them Michael Rubin CEO of Fanatics In his seventh business book bestselling author entrepreneur and investor Gary Vaynerchuk offers fresh in depth advice to enhance brand development grow sales and beat the competition using modern advertising strategies grounded in social media In his 2013 bestseller Jab Jab Jab Right Hook Gary Vaynerchuk showed the world how to create winning content for underpriced attention channels But since then new platforms have emerged others have become less relevant and algorithms are incentivizing new styles of content New skills are necessary to create advertising that builds brand and sales In his latest book Vaynerchuk argues that today's fast growing businesses brands content creators and influencers have one thing in common They mastered storytelling in areas of underpriced attention which predominantly exists across a handful of social media platforms Informed

by 20 years of business and marketing success he contends that the biggest transformation and opportunity is the TikTokification of Social Media Increasingly platforms are distributing content based on what users are interested in rather than who they follow In Day Trading Attention Gary offers detailed advice on how small businesses large corporations and creators can Understand attention what it is where it is where it s underpriced and how to leverage it Produce relevant strategic content Use modern advertising platforms to build brand and grow sales in today s rapidly changing environment

Understanding Snapchat 101 Jessica Hill,2017-07-14 No one wants to be left behind and this has never been truer than in the world of social media technology Our need to interact and feel connected will never change but how we do it is constantly changing and at an alarming unprecedented speed Snapchat is the next frontier of social media changing how we stay connected and feel connected If you don t want to be left behind feeling confused among the faceswaps and snap lenses then this book is for you It ll take you from downloading your app all the way to getting followers From Chapter 1 we will get you all set up with Snapchat on your phone so you re ready to start using it A step by step guide to finding the app downloading it and most importantly setting your account and profile By the end of this chapter you will have a fully functional Snapchat account and a fully personalized profile ready to use We then progress to Chapter 2 where we go over some important Snapchat terms These terms will help you learn all the functions much easier as a lot of these terms are unique to only Snapchat By the end of this chapter you should know all the terms used within Snapchat and also have a good understanding of what is possible with this amazing app From there we go to chapter 3 where we take a more detailed look at the app s user interface We ll walk you through where everything is located and how they are connected to what you want to do or may not want to do Important knowledge such as privacy settings and options or where the most frequently used features are located You ll also find a FAQ section here By the end of this chapter you should have your bearings around the app and be able to locate everything you need intuitively Lastly we end on chapter 4 which will be the most important chapter in the book This chapter will provide a step by step guide to using every mode of interaction within Snapchat Everything from taking snaps modifying your snaps with stickers or lenses to chatting and using discover to follow as well as to be followed
