persistent aversion to social media and definitely a bad idea. As soon as Kit learns his parenting status, she vows to put their scorching one-night stand behind her and move on. But Will and Kit are thrown together on an Instagram campaign, and the more time she spends with him and his whip-smart eight-year-old daughter Addie, the more difficult it is to stay away. Much less sustain what Will so cleverly calls her Resting Beach Face. Kit's picture-perfect career path is suddenly clashing with the possibility of a different future: messy, complicated, and real. Which life does she truly want? Will she have to reinvent herself? And will love still be waiting by the time she figures it out?

Being Participatory: Researching with Children and Young People Imelda Coyne, Bernie Carter, 2024-03-20 The second edition of this book provides a clear framework for conducting participatory research with children and young people supported by practical examples from international research studies. Our aim is to encourage more participatory research with children and young people on all matters that affect their lives. This book illustrates innovative ways of being participatory and how such methods can promote the inclusion of children and young people with diverse experiences and backgrounds. It sheds new light on involvement strategies that recognise agency and that play to children and young people's strengths. The international experts in this book share knowledge built from their wealth of experience in undertaking participatory research with children and young people using creative techniques that can enable and promote ways of expressing their views and experiences. The book provides guidance on appropriate techniques that can reduce the power differential between adult researchers and children and young people as participants. These techniques help to optimise their abilities to participate in research. There is increasing interest in involving children and young people as co-researchers but little guidance on how this can be done. This book fills a gap in the current literature by addressing all these issues outlined above and by providing worked examples from leading researchers and academics. Building on the success of the first edition and with an additional three chapters, this second edition is sure to have wide appeal to researchers across a range of different disciplines. This book is targeted at researchers, academics, and practitioners who need guidance on what tools are available, how the tools can be used, advantages and challenges, and how best to involve children and young people in all stages of a research project.

Carpenter Forrey,2023-05-23 If you re looking for a page turner with some bite this one s for you theSkimm Millennial wedding culture gets a much needed skewering in this alternately light and biting novel Vogue A razor sharp and darkly humorous debut novel exploring millennial wedding culture class and relationships all filtered through the ever present lens of social media In an opulent honeymoon suite in Watch Hill Rhode Island s most desirable wedding venue 29 year old Callie Holt is spending her wedding night lying in a bathtub shoveling down a pizza her expensive white dress now splattered with sauce and her groom passed out in the next room With her seven hour old marriage already imploded Callie turns to the place of record her phone sifting through the photographic evidence of the past year to pinpoint where it all went wrong Could it have started when Callie moved in with her best friend Virginia Murphy in the swanky Upper East Side pied terre for

which Virginia's parents foot the bill Or when Virginia's irritatingly attractive cousin and Callie's secret ex Ollie returned from pursuing his photography career abroad throwing a wrench in Callie's relationship with her kind if a bit dim finance bro boyfriend Whit Or was the true turning point when Callie stumbled upon a dark secret lurking in the Murphys well heeled past one with the potential to upend everything Callie knows about the people she considers her second family Over the course of one wedding filled year all these long simmering secrets and resentments will come bubbling to the surface leading to a reckoning that will strip Callie and everyone around her down to their most gruesomely real filter free selves As Callie attends wedding after wedding getting tagged in post after post she begins to contemplate and actualize through her own art the gulf between the true selves of the people around her and the selves they present on their screens

Letters in Black and White Winkfield Twyman, Jr., Jennifer Richmond, 2023-05-23 Unsatisfied with the relentless pace and narrow constraints of social media two Americans Winkfield Twyman Jr and Jennifer Richmond a black man and a white woman rediscovered the art of letter writing and maintained a years long correspondence about race in the United States In *Letters in Black and White* they share for the first time their exchange in full charting their journey from wary strangers to trusted confidants At a time when many Americans are dazed confused and angered by the country's current state of race relations they offer a model not only for having needed but difficult conversations but also for a better way forward Marked by well crafted turns of phrase sharp wit and sober reflection they do not rely on those fashionable words and phrases that have been drained of real meaning or are hopelessly saddled with excessive baggage such as antiracism white fragility and allyship Rather on topics ranging from the murder of George Floyd and the launch of the 1619 Project to the debate over reparations and the nature of elite black organizations like Jack and Jill of America they tell the truth as they see it in their own uncorrupted language speaking for no one but themselves Particularly critical of both the ideological battles that fuel media programming and entrench political rivalries and the noble sounding social and cultural projects that fail time and again to offer any meaningful solutions they identify productive ways to unify across our differences ways to find our common humanity and to mend America's divided soul Ultimately they offer an inspirational message of hope and optimism for all one that does not allow the past to define our present or predetermine our future

Seeking Trinity Louis Berry, 2024-01-17 Adam Phillips is an aging intelligence asset Contrary to his three decades long career his understanding of the world's power structure grew into the realization he'd been aiding a secret cabal of global elite in advancing their agenda of world domination With that control came the necessity of the five families who'd held global hegemony for a millennium to eliminate eighty percent of the world's population through a plan code named Project Trinity The project is meant to bring to fruition the maintaining of the human population at a mere half million as prescribed on the Georgia Guidestones in 1980 An accident eighteen months earlier took the lives of Adam's wife son and daughter in law leaving him alone to raise his granddaughter who'd been adopted from Guatemala Where he'd failed his son he vowed to educate Maritza to the evil that roamed the earth an

understanding he d been ignorant of his entire life Allowed to act as a lone assassin during the final decade of his career Adam s superiors hoped he d catch a bullet Wet work without association offered the United States arm of the global power structure plausible deniability Frustrated by his continued survival Adam s handlers sent a young colleague on an assignment in Key West with Phillips Their job was to assassinate a captured Cuban Intelligence officer Adam Phillips wasn t meant to make it out alive Trusting gut instinct Adam saved the Cuban and murdered his associate sending he and his granddaughter fleeing for their lives while simultaneously attempting to disarm the potentially genocidal Project Trinity The odyssey of grandfather and granddaughter brought an awareness of a like minded group working to stop Trinity as well their purpose of strengthening the fabric of humanity
