The Culture Advantage Daniel Strobe, 2022-08-03 Innovation is the key to making your business go the distance Innovate or die they say But where does innovation lie The answer is in your people Far from being the privilege of the unicorns of Silicon Valley innovation isn't dependent on business model structure or even budget By harnessing your people's power through a corporate culture of innovation you unlock business opportunities that your competition won't have access to The Culture Advantage is a blueprint to designing implementing and sustaining a culture that will not only celebrate innovation but will imbue it in everything your company and its people do Culture evangelist Daniel Strobe with the help of some of the world's historically most inspiring and innovative businesses like The Walt Disney

Company and The LEGO Group as well as newer companies like Art Blocks from the Web 3.0 and blockchain space breaks down the innovation puzzle Through evaluating your business model daring to chip away at it empowering your people through technologies psychological safety and leadership putting constraints onto their creative efforts and hiring and collaborating with the right types of innovators you ll discover how to enhance your adaptability and futureproof your business

The Economist ,2005 Videoland Daniel Herbert,2014-01-24 Videoland offers a comprehensive view of the tangible phase of consumer video when Americans largely accessed movies as material commodities at video rental stores Video stores served as a vital locus of movie culture from the early 1980s until the early 2000s changing the way Americans socialized around movies and collectively made movies meaningful When films became tangible as magnetic tapes and plastic discs movie culture flowed out from the theater and the living room entered the public retail space and became conflated with shopping and salesmanship In this process video stores served as a crucial embodiment of movie culture s historical move toward increased flexibility adaptability and customization In addition to charting the historical rise and fall of the rental industry Herbert explores the architectural design of video stores the social dynamics of retail encounters the video distribution industry the proliferation of video recommendation guides and the often surprising persistence of the video store as an adaptable social space of consumer culture Drawing on ethnographic fieldwork cultural geography and archival research Videoland provides a wide ranging exploration of the pivotal role video stores played in the history of motion pictures and is a must read for students and scholars of media history

Media Literacy in Action Renee Hobbs,2024-10-14 There s never been a more important time for students to develop media literacy competencies When students ask critical questions about the media they consume they develop fundamental knowledge and critical thinking skills that prepare them for life work and meaningful citizenship Media Literacy in Action addresses learners who are simultaneously active as both creators and consumers of media messages At the same time the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide To thrive in a media saturated society people need to ask critical questions about what we watch see listen to read and use This book gives students those tools Key features of the second edition Critical examination of AI technologies algorithmic personalization data privacy and surveillance and the increased global regulation of digital platforms Attention to media literacy for empowerment and protection Inquiry oriented approach to learning that cultivates intellectual curiosity and creative expression Full color presentation with figures and photos to increase student engagement Each chapter includes Media Literacy Trailblazers Profiles of key thinkers and their theories connect students with the discipline of media literacy Media Literacy DIScourse NEW Visual representations of media literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examples Learning in Action NEW Summary and vocabulary sections combine with Analyze Create Reflect and Act

[Living with Algorithms](#) Ignacio Siles, 2023-04-25 A nuanced account from a user perspective of what it's like to live in a datafied world We live in a media saturated society that increasingly transforms our experiences relations and identities into data others can analyze and monetize Algorithms are key to this process surveilling our most mundane practices and to many their control over our lives seems absolute In Living with Algorithms Ignacio Siles critically challenges this view by surveying user dynamics in the global south across three algorithmic platforms Netflix Spotify and TikTok and finds surprisingly a more balanced relationship Drawing on a wealth of empirical evidence that privileges the user over the corporate Siles examines the personal relationships that have formed between users and algorithms as Latin Americans have integrated these systems into the structures of everyday life enacted them ritually participated in public with and through them and thwarted them

Sometimes users follow algorithms Siles finds and sometimes users resist them At times users do both Agency lies in the navigation of the spaces in between By analyzing what we do with algorithms rather than what algorithms do to us Living with Algorithms clarifies the debate over the future of datafication and whether we have a say in its development Concentrating on an understudied region of the global south the book provides a new perspective on the commonalities and differences among users within a global ecology of technologies
