How significantly can you affect another person s life without ever meeting them Marcus Taylor scoffs at the argument posed on an internet thread his destiny can t be determined by anyone outside of his circle The viewpoint is shaken when he witnesses a murder an incident that sparks a sequence of events entirely beyond his control As he desperately tries to shape his own future he discovers that perhaps the world is smaller and more connected than he d thought From this self described ethical drug dealer to a kindly retiree hiding terrible news six perfect strangers become entwined in a causal chain too close to the canvas though and the pattern cannot be perceived It begs the question how much of our fate is left in the hands of others **Freefall** Jim Quigley,2007-05

While his plane is circling the runway in Detroit recently retired DEA agent Knox Reeves sees a man gunned down in a nearby field Should he report the incident or assume someone else will take care of it A brutal incident in Knox s past has shaped his attitude toward life and he instantly knows he cannot remain silent He believes that the dead need a voice the guilty need to be punished and the phrase criminal rights is an oxymoron As soon as he disembarks from the plane Knox calls one of his old contacts in the U S Customs Department confident that he will forward the information to the proper authorities Unfortunately no one believes Knox s story and other passengers on the plane can t verify it Knox decides to take matters into his own hands deftly using resources both inside and outside the government In his quest for retribution Knox revisits the horror of his past and must lay his own ghosts to rest before he can think of his future But solving the murder proves to be a dangerous affair and Knox just might sacrifice his life in the name of justice **Shhh...** Sister X,2014-01-21
