This down-to-earth, step-by-step guide fills you in on ways to take stock of your customer service strengths and weaknesses. Commit to continuous improvement. Work your way through modern-day e-mail and Internet etiquette. Foster positive face-to-face and telephone service. Deal with the unhappy folks among your customers. Packed with practical advice for getting through the everyday challenges at work, *Customer Service For Dummies* 2nd Edition shows you how to develop your staff so that they become service heroes to their customers. This insightful resource also gives you the goods on keeping your sanity when angry customers confront you with clenched fists or wrinkled foreheads. Saying No nicely. Focusing on what you can do for the customer. Tuning into body language and vocal tone. Knowing the importance of both internal and external customers. Achieving gold-level service at bronze-level cost. Improving market share, whether the company's big, small, or in-between. Becoming a better customer by expressing yourself in style.
