

ACT English practice test 3

The following paragraphs may or may not be in the most logical order. Each paragraph is numbered, and question 9 will ask you to choose where Paragraph 2 should most logically be placed.

[1]

The golden age of television means many things to many people, but to the small band of actors, writers, and directors who would rise to prominence¹ in the late 50s and early 60s, without a doubt it meant the television shows such as *Playhouse 90*, on which many of them worked for the first live² time.

[2]

Despite the undeniable risks of live performances—or perhaps because of—the results rank among the greatest achievements in American entertainment. Many of its productions were later remade, both for television and film, including *Requiem for a Heavyweight*, *Judgment at Nuremberg*, and *Days of Wine and Roses*. ☐ Many critics maintain none of the remakes could match the brilliance and electricity of the live performances displayed in *Playhouse 90*.

1. Which of the following alternatives to the underlined word would be LEAST acceptable?

- A. fame
- B. projection
- C. stardom
- D. greatness

2. The best placement for the underlined word would be:

- F. where it is now.
- G. before the word actors.
- H. before the word doubt.
- J. before the word television.

3. The writer is considering deleting the preceding sentence. Should the sentence be kept or deleted?

- A. Kept, because it provides context for the reference to remakes in the next sentence.
- B. Kept, because it is crucial to understanding why *Playhouse 90* was a success.
- C. Deleted, because it does not match the objective tone of the essay.
- D. Deleted, because it contains information that has already been provided in the essay.

Act Practice Last 90 Days Sign In:

Politics: Last Act of Defiance Scott Bolinger, 2021-10-14 Introduction This book was started based on my fight against a corrupt government I served on a community board and ran for several public offices The local city government and city council did not like my campaigns so I became a political target I took a lot of heat from the local government for several years with them interfering with my business and my everyday life I had to put up with their misinformation and defamatory campaigns After a couple of years of being attacked regularly I decided that I should start recording every encounter A couple of encounters is not a big deal 50 encounters start to become a big deal So I started collecting all documents to prepare for a possible suit against the city After several years of taking heat and the government's refusal to let up I figure they were not going to go away The local government made me a political target which destroyed both my reputation and business I had put up with the city creating misinformation about me and my business I was harassed segregated and ostracized and they put me in a position that forced me to consider packing up and moving out of town or to fight back This book goes through many of the battles I went through It also goes through many of the policies that I have sent to local state and federal lawmakers to help promote change I also go through several research analyses that I had conducted I hope that this book will help serve as inspiration for people to keep fighting and if that doesn't work then fight smart
