The Great Brain Race Ben Wildavsky,2012-08-26 Reveals how international competition for university students is impacting higher education and explains the benefits of this competition which allows students to choose from diverse educational settings and programs [Our Cherished Halls of Ivy](#) Phillip L. Beukema,2022-10-10 Higher education has both supporters and detractors although not in equal numbers Some would have us believe that our higher education enterprise is on the brink of disaster that it s falling apart at the seams Some go so far as to call the system broken beyond repair suggesting that it be rebuilt from the ground up Can it be this bad Drawing on his long experience in higher ed administration the author examines the sea change that s affected nearly every corner of the higher learning landscape These corners include the high and rising costs of tuition the crushing levels of student debt the shamefully low graduation rates in too many schools the growing million dollar clubs whose members include university presidents and football and basketball coaches the inadequacies of accreditation and the growing influence of partisan politics in the conduct of our public universities That s for starters With an insider s perspective the author paints a picture that is up front and honest laying bare the depth and extent of specific problems confronting that crucial engine of our economy higher education In each case he spells out what needs a tune up and what needs something closer to an overhaul Of course he offers specific proposals for fixing those problems They re likely to be controversial but the author hopes they spark a debate that ultimately

leads to productive solutions *Research Handbook on University Rankings* Hazelkorn, Ellen, Mihut, Georgiana, 2021-12-10 Gathering unique and thoughtful contributions from leading international scholars this timely Research Handbook offers diverse perspectives on university rankings twenty years after the first global rankings emerged It presents an in depth analysis that reflects the current state of research on rankings their influence and impact **Controversies on Campus** Joy Blanchard, 2018-01-12 Providing a comprehensive review of pressing issues roiling American college campuses today this book is a valuable resource for students and scholars alike People often refer to America s colleges and universities as Ivory Towers a term that implies that campuses are innocent places of study largely insulated from wider societal concerns In actuality our nation s universities are hotbeds of controversy Some of these sources of heated debate relate directly to access to the college experience such as the rising cost of tuition and admission policies related to student diversity Others reflect wider societal schisms such as divisions over sexual assault both causes and responses and political correctness

Controversies on Campus Debating the Issues Confronting American Universities in the 21st Century examines the myriad controversies regarding today s college campuses and student bodies such as tuition costs campus rape academic freedom free speech gun policies binge drinking hook up culture corporatization of academic research poverty level wages of adjunct faculty and student athletes in the era of big money amateur sports The book objectively examines these issues and others taking care to not only present up to date quantifiable data to help readers understand the controversy but also to provide a fair and impartial summary of perspectives on the issue in question It is a one stop resource for learning about a wide range of issues and controversies confronting American colleges and universities and the people students professors and administrators who comprise those communities *The Yearly Current Affairs 2020 for Competitive Exams 5th Edition* Disha Experts, 2019-12-24 **Paying for College Without Going Broke, 2005 Edition** Princeton Review (Firm), 2004-10-12 Paying for College Without Going Broke takes the stress confusion and guess work out of applying for financial aid Students and their parents learn how to calculate their aid eligibility before applying to college and plan ahead to improve their chances of receiving aid Parents and students will learn to negotiate with financial aid offices handle special circumstances for single parents or independent students and receive educational tax breaks Paying for College Without Going Broke is the only book to include both the FAFSA and the CSS PROFILE to make things even easier for students and parents **Rankings and the Reshaping of Higher Education** Ellen Hazelkorn, 2015-03-23 University rankings have gained popularity around the world and are now a significant factor shaping reputation This second edition updates Ellen Hazelkorn s first comprehensive study of rankings from a global perspective drawing in new original research and extensive analysis It is essential reading for policymakers managers and scholars *Schools for Scandal* Sheldon Anderson, 2024-05-22 For well over a century big time college sports has functioned as a business enterprise one that serves to undermine the mission of institutions of higher education This book chronicles the long and tortured history of the NCAA s attempt to maintain the

myth of amateurism and the student athlete along with the attendant fiction that the players academic achievement is the top priority of Division I athletic programs It is an indictment of the current system making the case that big time college sports cannot continue its connection to universities without undermining the mission of higher education It concludes with bold proposals to separate big time college sports from the university transforming them into on campus business operations
