- Ability to remain focused and self-directed in a fast-paced work environment while dealing with conflicting demands.

My combined education and experience have given me the needed skills in this position to excel. My interest in research and patient care has inspired me to educate myself about clinical research, which I find fascinating altogether. In addition, I am motivated and passionate and would appreciate the opportunity to contribute to your team's success. I can assure you that meeting with me will not be a waste of your time. I have attached my resume.
