Nightingale Jimmy Carter Gandhi and Frederick Douglass whose examples of kindness honesty integrity and loyalty we can emulate as pillars of upright living Through the lives of these role models readers learn the transformational power of living by a moral code and through the cautionary tales of unjust leaders the consequences of an ill formed conscience The Stoics never claimed that living justly was easy only that it was necessary And that the alternative sacrificing our principles for something lesser was considered only by cowards and fools Right Thing Right Now is a powerful antidote to the moral failures of our modern age and a manual for living virtuously **Solomon Day by Day** C.
