Dr. Louise Leenen

Facebook 2025:

Hope and Contemporary Israeli Peace Movements Liv Halperin, 2025-12-02 This book investigates and compares two contemporary Israeli peace movements through the angle of collective emotions and specifically of hope Drawing on empirical qualitative research combining interviews with Jewish and Arab Palestinian activists and ethnographic work the work provides unique documentation of the birth and development of Standing Together a mixed gender peace movement and Women Wage Peace a women s peace movement It explores the meaning of hope for Israeli peace activists and shows the concrete efforts that both movements undertake to trigger hope as part of an intersectional peace politics and of a non partisan women s peace politics respectively The book also engages with the post October 2023 developments in the Middle East showing how both peace movements now followed by others in the Israeli peace camp continue to invest in their politics of hope amid devastation fatigue and fear Offering a gendered typology of hope related emotion work useful beyond the cases at hand the book proposes that collective hope based action combined with other emotions might be powerful in all contexts of despair and protracted conflicts This book will be of interest to students of peace and conflict studies social and peace movements gender studies non violent resistance international relations and Israel Palestine Middle East [The Discursive-Digital Link](#) Ehsan Dehghan, 2025-08-22 We are in a state of crisis Democracy is under threat authoritarian politics are on the rise and digital media once heralded as emancipatory technologies are increasingly implicated in democratic erosion The Discursive Digital Link offers a critical framework for understanding the entangled relationships between discourse digital media and the hidden dynamics behind antagonism and polarisation The Discursive Digital Link presents a fluid social ontology that theorises how discourses and digital communication technologies are inseparably entangled and how this entanglement contributes to the formation of complex hierarchical relations Drawing on discourse theory and new materialist perspectives Dehghan maps how the various components of the discursive digital link users collectives identities the medium s design underlying neoliberal capitalist logics and structural power dynamics together shape antagonistic frontiers in digital spaces Through detailed case studies across multiple digital media Dehghan demonstrates how these entanglements manifest through different articulatory logics that could transform societies towards either agonistic progress or disastrous polarisation By revealing the logics of discursive digital alliances and active passivity Dehghan provides critical insights for academics activists and anyone seeking to foster progressive togetherness The Discursive Digital Link offers a powerful theoretical framework and methodology for analysing digitally mediated communication It challenges monolithic understandings of polarisation technological solutionism and symptom focused approaches instead advocating for radical structural interventions across all entangled components of the discursive digital link a necessary shift in both academic research and progressive political strategy to address the democratic crises of our time [Online Misogyny in Brazil](#) Mariana Valente, 2025-11-16 This open access book tells the story of how Congress and

courts have responded to online misogyny and online gender based violence in Brazil As thousands of women young and old famous and anonymous are targeted with online violence violating their freedoms in Brazil civil society has fought for the recognition of the problem of online misogyny in the law In her exploration of this evolving landscape Mariana Valente unpacks how the shifting political landscape of the last decade in Brazil has intersected with feminist movements and internet policy discussions and the resulting legislative developments Drawing from almost fifteen years of research the book brings the key cases and political fights that moved the conversation forward and how Congress and courts responded to the issue It also deals with how foreign digital platforms gave rise to conflicts between the local and the transnational Problems such as nonconsensual dissemination of intimate images hate speech and political violence against women on social media are interwoven with critical legal and social theory The result is a picture of the centrality of online misogyny to the recent political developments in Brazil and the advances and failures of the law in responding to the problem from an intersectional perspective By analysing the fight against online misogyny in one of the largest countries in the world Online Misogyny in Brazil Law Internet Governance and the Struggle for Gender Justice showcases strategies to achieve one of the main targets of SDG 5 End all forms of discrimination against all women and girls everywhere This is a revised and expanded English edition of a book originally published in Portuguese The translation of the original manuscript into English was done with the help of artificial intelligence A subsequent human revision was done primarily in terms of content
