Joshua King,2022-12-05 Now is a great time to be a saver We earn 3% interest through a high yield savings account That is completely free money just for saving in a certain institution How will we use these interest payments First we can reinvest in our HYSA But we can also take this money and invest into higher yield products safely Either way HYSAs are a start on the passive income path Our kids will follow how we travel the course so it s time to move beyond our comfort zone Good Luck

High-Yield Savings Vs. Certificates of Deposit Vs. Treasury Bills Vs. Money Market Funds Joshua King,2024-02-08 Intelligence is the ability to make finer distinctions As we progress on our journey to financial freedom we must learn about various financial products These products exist in different regions of the financial sector but we can use them in tandem to protect our assets and build wealth Investing for interest is different than investing for dividends These distinctions will help us understand the purpose of using high yield savings accounts certificates of deposit treasury bills and money market funds We don t use these products to make us rich we use them to protect our principal while earning some income along the way

Good luck **Welcome to the Elite Savers of America** Joshua King,2023-08-31 Can you save 10 000 in a high yield savings account HYSA It is no easy task but I believe in you The first step is understanding why saving money is vital to our future We cannot pause our lives with every emergency that arises Next we must understand that our emergency fund should not be used frequently or randomly In fact we should aim never to use these funds Finally we must create additional income streams to increase our savings rate and cash flow If we can do all these things we will become members of the Elite Savers of America Welcome
