[Social Media Income](#) Chris Oberg, 2025-03-10 You don't need thousands of followers to make money on social media. Some would say you do, but I call BS. To make money on social media, you must view social media as an income stream and not a vainglorious marketing channel, and you must position yourself and/or your company as selling the solution to your audience's problem. In this 2 in 1 book collection, you'll learn exactly how to do that. This book includes the two popular books *Instagram Income: How Solo Entrepreneurs and Small Companies Can Make Money on IG and Likes* and *Don't Pay Bills: How to Leverage Social Media to Get Leads and Customers*. After reading it, you will know how to find your target audience on social media, how to monetize your IG account with less than 100 followers, the big fat myth about content creation, how to use social media to trigger word of mouth marketing, get attention by having something interesting to say, crash course in copywriting, how to use social media to grow your email list, email marketing 101, and of course, how to sell your product/service offer and more. This book distills how I and others use social media to make thousands of dollars with minimal time investments and less than 1000 followers. **Instagram Your Brand 2020** Amie Pendle, 2020-03-09 Stand Up and Stand Out with the Brandographer as she teaches you, her online bestie, how to dominate social media with a brand that screams YOU. She spends her days going through the motions, dreading the

moment when her reality will vanish from existence What s worse she s in love with her boyfriend Jason That doesn t seem so bad except he s the wrong version of the boy she fell in love with While he may look and act just like the Jason from the True timeline something isn t right Then she comes home one day to discover she has a new foster sister Herself Going by Jess s middle name and pretending to be her cousin Marie has been kicked out of several foster homes in the True timeline Who better to take care of her than her own parents from another timeline right Despite having been the exact same person at one point in their lives Jess and Marie couldn t be more different After kicking Jess out of her own bedroom and hacking her Instagram account it s clear Marie isn t going to make Jess s life any easier Jess tries to take comfort in the fact that so long as Marie is living in her timeline she gets to continue living which means she has things to look forward to Like the Homecoming Dance But when Jess s friends notice their similarities they suggest giving Marie a makeover and having them switch places at school for a day What seems like a harmless prank ends up turning Jess s world upside down For Marie that s all just fun and games The daughter of a corrupt time cop has much more sinister plans
