Aretism Heather Reid,Mark Holowchak,2011-05-31 Aretism An Ancient Sports Philosophy for the Modern Sports World applies a robust ancient ethic to the widely acknowledged problems faced by modern sports Aretism from the Greek word arete excellence draws a balance between the hard commercialism of modern sports culture and the soft playfulness of recreational models to recover the value of sport for individuals education and society at large The authors approach proposes practical strategies for athletes coaches and physical educators to use when facing ethical challenges in the modern world Holowchak and Reid present Aretism as a tripartite model of athletic excellence focused on personal civic and global integration They reject the personal and social separation characteristics of much of contemporary moral reasoning Aretism creates a critical and normative framework within which athletic agents can

aim for spirited but morally sensitive competition by seeking the betterment not only of themselves through athletic competition but also of their teammates fellow competitors and even their communities Holowchak and Reid also present a historical overview of sport and a critique of two traditional models the martial commercial model and the aesthetic recreational model This book is most applicable to students and academics concerned with the philosophy of sport but will be of interest to all those in sports professions including coaches trainers and athletes
