The Franchise: Chicago Cubs Bruce Miles, Jesse Rogers, 2023-06-20 In *The Franchise: Chicago Cubs* take a more profound and unique journey into the history of an iconic team. This thoughtful and engaging collection of essays captures the astute fans' history of the franchise going beyond well-worn narratives of yesteryear to uncover the less-discussed moments, decisions, people, and settings that fostered the Cubs' one-of-a-kind identity. Through wheeling and dealing, mythmaking, and community building, explore where the organization has been, how it got to prominence in the modern major league landscape, and how it'll continue to evolve and stay in contention for generations to come. 24 Willie Mays, John Shea, 2024-05-01 The uplifting New York Times bestseller by the legendary Willie Mays will remind fans of why we love baseball so much. *The New York Times* In this mix of memoir, self-help, and baseball history, Booklist Willie Mays shares the inspirations and influences responsible for guiding him on and off the field. Widely regarded as the greatest all-around player in history because of his unparalleled hitting, defense, and baserunning, the beloved Hall of Famer recounts his lifetime of experience meeting challenges with positivity, integrity, and triumph. Presented in 24 chapters to correspond with his universally recognized uniform number, Willie's memoir provides more than the story of his major league career. It tells of a man who values family and community, engages in charitable causes, especially those that help children, and follows a philosophy that encourages hope, hard work, and the pursuit of dreams. Baseball fans of all ages and anyone seeking inspiration will enjoy memories and motivation shared in a warm, joyous manner by the irrepressible Say Hey Kid. Library Journal starred review: A salute to what the game used to be, back when it was a game played for the love of it by guys who still lived in the neighborhood. New York Daily News Includes photos and a foreword by Bob Costas. I was very lucky when I was a child. My family took care of me and made sure I was in early at night. I didn't get in trouble. My father made sure that I didn't do the wrong thing. I've always had a special place in my heart for children and their well-being, and John Shea and I got the idea that we should do something for the kids and the fathers and the mothers, and that's why this book is being published. We want to reach out to all generations and backgrounds. Hopefully, these stories and lessons will inspire people in a positive way. Willie Mays. It's because of giants like Willie that someone like me could even think about running for president. Barack Obama.
