

Days of the Week

Read the passage below and answer the following questions.

Once upon a time, there were seven friends named Monday, Tuesday, Wednesday, Thursday, Friday, Saturday, and Sunday. They were the days of the week! Each day had its own special personality.

Monday was always full of energy and excitement. Tuesday was a bit shy but loved to help others. Wednesday was known for its creativity and love for art. Thursday was a great problem solver and always had a solution. Friday was the life of the party and loved to have fun. Saturday was all about relaxation and enjoying leisure activities. Sunday was a peaceful day, perfect for spending time with family and friends.

Every week, the days of the week would take turns, one after the other. They worked together to make sure everything ran smoothly. People relied on them to plan their schedules and know what day it was.
