Kathi S. Barton,2024-05-31 Brad Kirk came from old money very old money as he was an immortal He was gifted immortality and a great deal of magic by a bear group centuries ago He was a recluse and didn t like people much but he was a very shrewd businessman and had more money than he could spend in several lifetimes Becka Dillard had raised her nephew Toby since he was an infant He was too young when his parents died to remember them Now sixteen Becka was the only mother

he knew and he loved her dearly She was a trucker They lived on the road They never had much in the way of money but she had plenty of love to share even though she didn't care much for people in general They were early for her next delivery and thankfully had time for a hot sit down meal or so she thought anyway Some idiot wouldn't leave her alone accusing her of being the wife of some man named Kirk and he had a bone to pick with him Some days it didn't pay to get out of bed

Lost in MultiSpace William Allan,2019-11-25 This is the story of a man's impossible journey back home His name is Odis or Ottis or some variation of Odysseus as a nod to another impossible journey although the similarity ends with his name It is also the story of humans impossible journey to leave the nest with infinite choices leading to disaster and infinite more leading to stagnation If one man can find his way home to teach the one way off the planet Earth humanity may survive the galactic collision with Andromeda As an author I see that the current climate is publishers clamoring for LGBTQ characters It is tempting to pander to that demand Instead I chose as my main character's relationship one based on domination and submission Having the privilege of knowing some extraordinarily loving couples in the D S community I observe they are still often treated as politically incorrect in a world supposedly now open to diversity My main character needed an extraordinary relationship to continue to face impossible odds against getting back home which for him was wherever his other half was If you are unfamiliar with the D S community you may get a look at a relationship where like real world D S relationships the sexually submissive half is often the dominant decision maker The protagonist comes from a world far more medically advanced than our own where disease is a historical artifact pregnancy a choice and even genetic defects have simple cures In such a world there is no biological backlash from the sex act so most of the world has left monogamy behind Our protagonists choose monogamy in a world that now considers it quaint but their torrid relationship leaves them forever satisfied

Let Me See Carlene Love,2016-03-09 Are you sure you're ready to see what's inside Two hearts beating S Club dancer and extrovert Jay has worked very hard for this eye opening moment with his reluctant and shy friend Kelley Unfortunately a humorous attempt to get her to open up serves to push her further away Now it's nearly impossible to convince her he's not just out to play Hundreds of scars in need of hiding For good reason Kelley has

yet to let Jay see all of her whereas he takes his clothes off nightly for a living Her respect for him runs unmatched because she sees who he is inside There s just no way to ever reciprocate and that s not fair to him His interest in her has never made sense The best option is convincing Jay there really is nothing to see One dark night to shine some light on their healing Sometimes it just takes one very patient man one dimly lit room and one safe set of arms A Touch that Awakens the Soul Melissa S Williams,2025-07-14 In a quiet coastal town brushed by wind and memory Eylli Q returns to a weathered cottage seeking refuge from the noise of her past Her heart once bright with dreams now yearns for stillness and a place to begin again What she doesn t expect is Rhys Everhart the debonair carpenter with music in his hands and solitude in his soul Their connection unfolds slowly like the first chords of a forgotten song tentative tender and deeply moving As melodies rise from old instruments and unspoken feelings surface through moments of shared silence trust begins to grow and creativity gently returns Together they begin to heal not only from what life once took from them but from what they had forgotten they were still capable of giving With each passing day they discover that love doesn t ask for perfection it simply asks for presence and sometimes it s the softest touch that stirs and awakens the soul Eylli and Rhys come to realize that love doesn t always announce itself There are moments found in the rhythm of small gestures in the warmth of a lingering touch and in the silent promise of someone who chooses to stay A Touch That Awakens the Soul is a deeply romantic and inspirational novel about rediscovering love healing through connection and finding home not in a place but in each other A story for anyone who believes in love second chances and the kind of intimacy that lingers long after the final page *FIT FOR THE THRONE* S.
