

A warm, dimly lit interior scene. In the foreground, a round wooden table holds four lit candles of varying heights, casting a soft glow. A small woven basket sits on the table. To the left, a patterned cushion rests on a low seat. A large window in the background shows a view of trees with autumn foliage. The text "I should have known better than to" is centered over the window. Decorative starburst graphics are in the top left and bottom right corners.
