for Julian Vos at fourteen when they almost kissed in the dark vineyards of his family's winery. Now the prodigal hottie has returned to Napa Valley and Hallie finds herself hired by him to revamp the gardens on their estate. But she quickly discovers that Professor Vos is nothing like the starchy teenager she remembered; their personalities clash spectacularly. One wine-fueled girls' night later, Hallie still feels guilty about what she did until she recalls the drunken secret admirer letter she left for Julian. Oh no, she must erase those memories with ease. On sabbatical from his Ivy League job, Julian plans to write a novel. But having Hallie gardening outside his window is the ultimate distraction; she's eccentric, chronically late, often covered in dirt, and so unbelievably beautiful that he can't focus on anything else until he receives an anonymous letter sent by someone from his past. Even as Julian questions this admirer, he's drawn further and further into Hallie's world. Like the vibrant flowers she plants all around town, Hallie adds a splash of color to Julian's otherwise monochromatic life. For someone who irons socks and keeps to tight schedules, her bright chaotic energy makes no sense yet something about her feels familiar and it may just be turning his world upside down.

Gemini Wicked Laura Navarre, 2024-07-10 They say I'm not worthy to be the next queen. That's not the Cinderella story I signed up for. When you're the celebrity bad girl and wild future queen of the witching world, you pretty much expect scandal, secrets, paparazzi, and bad press. Like those salacious pics plastered all over *The Witching Inquisitor* of me Zara Gemini getting hot and heavy with my whole warlock court. Like I care about the gossip. Those guys'll burn the world down to rule at my side. What I don't expect is to be betrayed, humiliated, and dethroned on live TV. My own birthday bash ruined by my backstabbing ex-boyfriend and my lying ex-BFF. Now I'll need to use every trick in my dark witch academy spell book to win back my throne, pay back my enemies, and prove I'm worthy to the whole witching world. Never mind that I'm only a freshman at the Icarus Academy juggling an ever-expanding curriculum of magical superpowers and unpredictable superheats I can barely control. Or that adding the obsessed, possessive, tortured, and twisted Dark Fae King to my limited list of Academy allies splits my found family of warlocks right down the center. Suddenly I'm the mad, bad, totally rad rebel Cinderella of the witching world resistance. But hey, if the glass slipper fits, *Gemini Wicked* is a spicy, shifty, paranormal adult academy, why choose romance and the scandalous sequel to *Gemini Wild*. Get ready for teacher-student forbidden, heat, wolf, and dragon shifters, dragon riders, bi-awakening, all swords crossed, seven seductive warlocks, and a confident queen who never needs to choose. This series is guaranteed to whisk you away from your day to day and set your schoolgirl skirt on fire.
