Intensifying Classroom Routines in Reading and Writing Programs

Michael P. Ford, 2017-06-15 Three common routines are seen in almost every primary language arts programs morning messages shared readings and word walls These routines should be integrated to support the total language arts program but are teachers of grades K 2 getting the most bang for their buck out of these activities Morning messages can become very routinized and repeat the same experiences over and over again Shared readings are

sometimes conducted with little variation in spite of changing demands from the texts being used and changing needs in the learners with whom they are being used Word walls might be put up with some attention early in the year and remain virtually unchanged as the year moves forward Intensifying Classroom Routines in Reading and Writing Programs focuses on how teachers can get more instructional mileage out of these three common classroom routines Author Michael P Ford lays out step by step day by day plans to put those three key routines on a cycle that changes as students move through developmental phases This resource helps teachers plan for emergent and early readers and writers It also looks at how teachers can assist students as they move through critical areas including concepts of print alphabetic knowledge phonological awareness sound symbol relationships high frequency words structural analysis context clues comprehension strategies and composition strategies With these intensified routines in place students will clearly see connections between reading and writing

BOOK JACKET

The Challenge of Teaching Gretchen Geng, Pamela Smith, Paul Black, 2016-10-11 This book presents thirty one accounts by final year pre service teachers providing guidance and insights for less advanced teacher education students and illustrating the use of life history and narrative stories as methods for pre service teachers to explore educational issues in classroom practice This life

history approach identifies those political economic and social forces that have impinged on the individual at different points in their life and contributed to the process of changing their identities These stories are not written by established specialists in the areas they deal with but instead by novice teachers at the beginning of their paths towards mastering the intricacies of teaching and learning in school settings As such the book provides a mentoring framework and a means of helping pre service teachers share their valuable experiences and insights into aspects such as how to manage practicum requirements It helps establish a supportive relationship among pre service teachers providing them with access to valuable peer experiences In addition it helps pre service teachers make sense of their own practicum experiences and reflect on their own beliefs and professional judgement to develop their approaches and solve problems in their own classroom practice

Power, Culture, and Family-School Relations Jen Stacy, 2025-01-30 Power Culture and Family School Relations Towards Culturally Sustaining Practices explores the extent to which common practices in school based family outreach advance equity or sustain the status quo in power and cultural relations Using a rich ethnographic account of a school based family literacy program in Nebraska the book unfolds the daily cultural practices of the program so that readers may visualize and contemplate how and if the program serves newcomer and refugee families within the unique context of the New Latine Diaspora The author draws upon critical theory to showcase how neoliberal and deficit ideologies are at play throughout the different aspects of the program the influence these ideologies have on the participants and the tactics used by the caregivers to resist and change the programmatic structures and curriculum to meet their needs As such the book invites educators administrators and scholars into the nebulous and difficult conversation about how schools paradoxical entities that often colonize but prospectively liberate must not just rethink how they work with parents and caregivers but rather dismantle traditional cultural practices that seek to assimilate minoritized families Showcasing the power of ethnography as a tool which can be used to support educators and scholars to understand cultural elements of family outreach programs on a semiotic level and how transforming these semiotic building blocks can lead to equitable relationships it will appeal to scholars and researchers with interests in adult education social foundations of education critical ethnography multilingual Adult Basic Education and family outreach
