USA Tourism eBook GURMEET SINGH DANG, **"This Is America"** Katie Rios, 2021-06-10 In *This Is America* Race Gender and Politics in America's Musical Landscape Katie Rios argues that prominent American artists and musicians build encoded gestures of resistance into their works and challenge the status quo These artists offer both an interpretation and a critique of what This Is America means Using Childish Gambino's video for This Is America as a starting point Rios considers how elements including clothing hairstyles body movements gaze lighting effects distortion and word play symbolize American dissonance From Laurie Anderson's presence in challenging authority and playing with traditional gender roles in her works to the Black female feminism and social activism of Beyoncé Rhiannon Giddens and Janelle Monáe to hip hop as resistance in the age of Trump to sonic and visual variety in the musical *Hamilton* the subjects are as powerful as they are topical Rios explores the ways in which artists relate to and represent underrepresented groups especially groups that are not traditionally perceived as having a majority voice The encoded resistances recur across performances and video recordings so that they begin to become recognizable as repeated acts of resistance directed at injustices based on a number of categories including race gender class religion and politics Strategic Optionality Surja Datta, Tobias Kutzewski, 2023-01-18 This book offers a fresh approach to strategy by examining the idea of Optionality Optionality is the right but not the obligation to take an action Built on historic military tactics static engineering principles and equilibrium seeking economics conventional strategic thinking suffers some weaknesses principal of which is its inability to deal with conditions of high uncertainty This book begins by dividing the business landscape into three distinct domains 1 Fragile 2 Robust and 3 Long shot FRL which alert us to the context specificity of strategy tools before suggesting that theoretical lenses are required to understand and implement strategy in VUCA Volatile Uncertain Complex and Ambiguous domains The authors explore the concept and methodology of Optionality in order to demonstrate how it can be used in conjunction with existing strategy tools in order to achieve competitive success It will be of great interest to academics and students of strategy and innovation *Cultural Industries and the Environmental Crisis* Kate Oakley, Mark Banks, 2020-09-14 This volume critiques the current model of the creative economy and considers alternative models that may point to greener cleaner more sustainable and socially just cultural and creative industries Aimed at the nexus of cultural and environmental concerns the book assesses the ways in which arts and cultural activities can help develop ideas of the good life beyond excessive and unsustainable material consumption and explores the complex interactions between cultural prosperity place and the quality and availability of employment leisure and the rights to self expression Adopting a deliberately wide and inclusive interdisciplinary and international perspective contributors to this volume showcase current and future ways of doing creative economy ecologically otherwise and differently In 11 chapters the book outlines some of the most relevant arguments from among the growing literature that critically analyzes the current creative economy with a focus on issues of

gentrification inequality and environment This volume is timely as it emerges into a political and economic context that is seeking desperately to reboot the economy re establish business as usual and to do so partly through significant investment and expansion in the creative economy The book will be suitable for upper level undergraduates and postgraduates studying a wide range of topics including cultural and creative industries media and communications cultural studies cultural policy human geography environmental humanities and environmental policy and will be of further interest to arts professionals creative economy researchers and policymakers The chapter Towards a New Paradigm of the Creative City or the Same Devil in Disguise Culture led Urban Re development and Sustainability is available open access under a Creative Commons
