PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0 Malik McCotter-Jordan, 2021-12-25 I am not suggesting that you fire your boss i.e. quit your job. In fact I advise you to keep your job. In this book I have a job that's called having more than one stream of income and I talk about that in this book. This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income. This is a raw and real book written by a guy who is only a few steps ahead of you. That's it. I am not a guru. This is not a scam. I put my heart and soul into making this. I wrote this book as if it was for the 18 year old me. Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong. I even did what most of these personal finance authors don't have the guts to do. I talk about my personal life and the mistakes I made that cost me thousands of dollars. That's why this genre is called personal finance right. I get really personal. Some might say it's too personal. If you're a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you. I started off as a poor black boy in a small town in Alabama on section 8. I currently have a 6 figure net worth. If I can do it you can too. Buy this book today.

*Hard Lessons from the Hurt Business* Ed Latimore, 2025-08-05 We've all got a choice. We can get better at fighting or worse at life. Every day we absorb body blows some glancing others that knock us to the mat. It doesn't matter how well prepared or tough you think you are. Everyone at some point is hit with a haymaker from life. It's the cost of living. And just like in the ring opting out of pain is not an option. In *Hard Lessons From The Hurt Business* former heavyweight boxer Ed Latimore takes readers on a journey from his hardscrabble childhood in Pittsburgh's public housing projects to his signing with Jay Z's Roc-A-Fella Sport. With honesty and humor Ed shares how the discipline of boxing served as his rite of passage into manhood and gave him the tools he needed to overcome his childhood trauma and the demons of alcoholism. Ed's story is one of learning the hard lessons of maturity in perhaps the harshest way possible from the hurt business. It's a story about finding self-mastery in the face of uncertainty discovering the power of forgiveness and embracing pain and adversity to design a life of purpose. Like Ed says How we absorb life's blows and rally through bruised and bloodied rounds shows who we are at our core. We sacrifice weep heal and carry on. In hardship we transcend.
