Block, Michael Betrus, 1999-04-22 Beat out the competition for the best jobs Create an image of accomplishment professionalism and competence that today s employers are begging for Job seekers have paid hundreds of dollars for the expertise in these dynamic guides and regarded every cent as well spent With these job landing tools on your desktop you ll have the same savvy working for you for far far less with the same great results 101 Best Resumes packs tried and proven advice you ll use to Create a resume that gets you in the door Target your resume for a specific positions over 70 different categories are covered Experiment with traditional and new formats More 101 Best Cover Letters shows you how to put together compelling letters to accompany your resume Learn how to Ignite interest with the first two sentences Turn references into endorsements Send your cover letter online Pick up smart interviewing tips negotiate a higher salary use the Internet in your job search work with recruiters and much much more The Resume and Cover Letter Phrase Book Nancy Schuman, Burton Jay Nadler, 2010-12-18 **How To Write Amazing Cover Letters** The Hyperink Team, 2012-02-12 ABOUT THE BOOK If a resume is a window into your past work experience a cover letter is the tool you use to install it Cover letters were once just an after thought something most people used to simply regurgitate their resumes In fact it wasn t until the last decade that cover letters gained wide acceptance and importance Today not only is the cover letter just as important s a

resume it can be the deciding factor in whether a hiring manager looks at your resume or throws it in the trash But how do you write the kind of amazing cover letter that will get you in the door How can you create a narrative of your professional experience that makes the HR person sit up and take notice The key is knowing how to present yourself It does not matter if you've spent 30 years in the work force or are just entering it the fact remains that you need to learn how to convince someone else to interview you MEET THE AUTHOR The Hyperink Team works hard to bring you high quality engaging fun content If ever you have any questions about our products or suggestions for how we can make them better please don't hesitate to contact us Happy reading EXCERPT FROM THE BOOK You've probably figured out a few mistakes to avoid already but you'd probably be surprised at what many employers are turned off by when reading cover letters Lack of proofreading This is a no brainer but many people often miss them or don't bother to spell check before sending out the cover letter and resume It's always a good idea to ask a friend or family member to check your letter for spelling errors and typos to give you a fresh perspective Not including the name of the hiring manager If you don't know who is going to read your cover letter and resume try to find out When in doubt call the company and ask who the person in charge of that department is so you can target your letter appropriately Not writing to an audience Focus each letter on each employer According to Career Builder 44 percent of executives polled said it's common for applicants to use their cover letters to show they've learned more about the job Doing so can give you an edge against the competition Failing to sell yourself If you undersell your skills and qualifications you won't make an impression on the reader Don't just talk about your accomplishments give concrete examples Regurgitating the resume Cover letters weren't meant as a tool to repeat everything that's in your resume It's a tool to build on it and an opportunity to correlate your experience with the job you're applying for Include any training classes awards and recognition you've received in the past that might give you an edge over the competition Buy a copy to keep reading *Get It Done: Write a Cover Letter* Jeremy Schifeling, 2018-09-25 Want to write the perfect cover letter But don't have time to read through a 300 page book first Then *Get It Done* is for you Here's why it's been a Kindle best seller for six years in a row 1 It's fast The whole book takes about 30 minutes to read 2 It's to the point It breaks the cover letter down to 12 parts and gives you a precise template to complete for every single step 3 It works I developed this system while serving as a Recruiter for Teach For America I've since taught it to MBAs as a Career Coach at the University of Michigan leading to job offers from Apple GE Microsoft Amazon LinkedIn and Google And the system has even been featured in U.S. News I was just another piece of paper in the deck Jeremy's beneficial insight to the cover letter was against my traditional understanding His direct nature and step by step guidance proved to be beneficial in my search I was able to go through the book and develop a brand new cover letter from scratch in less than an hour Given the price of the book and the time it takes to go through there is absolutely no excuse why you shouldn't buy it right now and start fresh in conveying your background to your next employer LJ If you like me hate writing cover letters then this book is for you

Before reading this book I was not even using cover letters because I thought they didn't matter and I didn't know what to say. I just sent as many resumes as possible to as many job postings as possible. This book changed my life. It convinced me no doubt one of the most shameless no cover letter resume spammers out there to stop and write a cover letter. Plus Schifeling lays out a series of clear quick steps that make it easy and anxiety free. Jane E Nevins What you'll get A sample cover letter using the exact same approach that the author and hundreds of others have used to land jobs from Amazon to Zynga. A cover letter template that's broken down into step by step chunks making it easy to apply to your own application. The definitive cover letter format that recruiters and hiring managers prefer based on actual recruiting and hiring experience. **How to Write a Cover Letter for a Job Application That Will Blow Their Mind** Isaac Scott, 2010-04-19 If you are considering changing your career or applying for a new job you should not underestimate the importance of the cover letter. A good cover letter can be the difference between your potential employer reading your resume or not. Learn how to write a cover letter for a job application that will blow their mind. Stop having your resume passed up and start standing out from the crowd.

Cover Letters that Blow Doors Open Anne McKinney, 1999 Designed as the comprehensive guide to cover letter preparation the 272 page book shows examples of exciting and door opening cover letters. The main section of the book shows cover letters by field and industry. For example job hunters in the accounting field will find examples of cover letters used to blow doors open in the accounting banking and financial community. From aviation to computer operations to management to sales to transportation cover letters tailored to specific fields are illustrated which can be used as models or templates for those involved in a job hunt. But what if a job hunter is changing careers or doesn't need a cover letter targeting a specific field or functional area? There's a section showing examples of all purpose cover letters career change cover letters cover letters for entrepreneurs and cover letters for those seeking their first job. For those seeking advice on how to respond to ads how to handle questions about salary requirements how to request consideration for multiple job openings in the organization and how to write letters for special situations there's a section entitled Sixteen Commonly Asked Questions About Cover Letters and Job Hunting. **Step-by-step Cover Letters**, 2006 **Knock 'em Dead Cover Letters** Martin Yate, 2012-10-18 Write a cover letter that will get you the interview. In this newest edition of the bestselling cover letters guide Martin Yate shows you how to dramatically increase your chances of landing an interview with a dynamic cover letter. Inside this book you'll find all new examples of cover letters and learn how to use his proven methods to Determine the relevant keywords that will send your application to the top of database searches. Effectively display your personal brand and the transferable skills you bring to a job. Conduct a simple web search to find contact information and get your material in front of managers and recruiters. Figure out when you should mail a hard copy of your application to the recruiter instead of sending an e mail. With the help of this trusted authority you will finally be able to differentiate yourself from the competition and land the interview. *Cover Letter Magic* Wendy S.
