Ms. Nancy Borum, CEO
ID Collaborative
201 State Street
Greensboro, NC 27408-5921

Dear Ms. Borum,

As an Interior Architecture student with excellent qualifications and a strong desire to excel in this profession, I am seeking to align myself with a company positioned for strong growth. The range of my experience includes creating conceptual designs, developing architectural drawings and plans, generating programming diagrams, specifications, as well as developing protocol sheets.

During my years at The University of North Carolina at Greensboro, I took on many additional responsibilities. As a sophomore I was employed by the university's Housing and Residence Life as a Resident Advisor where I received hands on experience in leadership, organization, teamwork, and responsibility. During my senior year I held an internship position, as well as an undergraduate assistant position within the Department of Interior Architecture, where I was responsible for maintaining and organizing sample materials, and generating protocol sheets for new sustainable materials added into the materials library.

I am seeking a professional opportunity to utilize my leadership, problem solving, and organizational skills in order to benefit your company. I am confident that the knowledge and experiences gained in the duration of my internship and undergraduate assistant position would undoubtedly qualify myself for the attributes that you are seeking. With this goal in mind, I have enclosed a resume highlighting my qualifications.

I look forward to further discussing my qualifications, which are fully presented in my enclosed resume, and demonstrating how I will be the perfect fit for the Interior Design Assistant position and your firm. Thank you very much for your consideration.

Sincerely,

Michelle Bodon
