Goodreads Choice Weekly Ad This Month:

Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context

The Newbie Author's Survival Guide A.K. Taylor, 2016-11 After crash landing into self publishing with nothing but the clothes she had on author AK Taylor fought for survival with trying to market her books on a small budget After two years of trial and error reworking refining and reaching out she has created the first survival guide for book marketing compiled of great tools and resources that can be used by any author during the rough times Comparing the book marketing wilderness with the real wilderness is how Taylor viewed the publishing world around her Growing up in the woods and learning survival skills has given her this unique viewpoint for a different kind of world When she started her search for information a book marketing survival guide didn't exist until now Short Have you ever been lost in the wilderness Being lost in the wilderness is more dangerous and scarier than being lost anywhere else and more things can happen Book marketing is just like being lost in the real wilderness with pitfalls dangerous plants and animals and knowing what is needed to survive during the rough times Using outdoor survival skills and applying them to book marketing AK Taylor has created the first survival guide for book marketing on a small budget

The Death of the Artist William Deresiewicz, 2020-07-28 A deeply researched warning about how the digital economy threatens artists lives and work the music writing and visual art that sustain our souls and societies from an award winning essayist and critic There are two stories you hear about earning a living as an artist in the digital age One comes from Silicon Valley There's never been a better time to be an artist it goes If you've got a laptop you've got a recording studio If you've got an iPhone you've got a movie camera And if production is cheap distribution is free it's called the Internet Everyone's an artist just tap your creativity and put your stuff out there The other comes from artists themselves Sure it goes you can put your stuff out there but who's going to pay you for it Everyone is not an artist Making art takes years of dedication and that requires a means of support If things don't change a lot of art will cease to be sustainable So which account is true Since people are still making a living as artists today how are they managing to do it William Deresiewicz a leading critic of the arts and of contemporary culture set out to answer those questions Based on interviews

with artists of all kinds The Death of the Artist argues that we are in the midst of an epochal transformation If artists were artisans in the Renaissance bohemians in the nineteenth century and professionals in the twentieth a new paradigm is emerging in the digital age one that is changing our fundamental ideas about the nature of art and the role of the artist in society Dark Seduction and Persuasion Tactics Rex Thornevale,2025-10-04 Welcome to Dark Seduction and Persuasion Tactics The Simplified Guide of Charismatic Experts of Deception Using IQ Influence and Unstoppable Charm in the Craft of Covert Persuasion and Mind Games **This Close to Okay** Leesa Cross-Smith,2024-06-13 This Close to Okay hits the ground running Cross Smith writes tenderly about the trial and error of intimacy and draws you in with enormous warmth and control Raven Leilani author of LUSTER On a rainy October night therapist Tallie Clark is on her way home from work when she spots a man standing at the edge of a bridge Without a second thought Tallie pulls over and convinces him to join her for a cup of coffee Eventually he agrees to come back to her house where he finally shares his name Emmett Over the course of the emotionally charged weekend that follows Tallie makes it her mission to provide a safe space for Emmett But he isn't the only one who needs healing and they both are harbouring secrets As they inch closer to the truth of what brought Emmett to the bridge and the hard truths Tallie has been grappling with since her marriage ended could their connection lead to love This Close to Okay is an uplifting story about chance encounters and hope found in the most unlikely moments from a consummate author of emotionally wrought romance Longlisted for the 2022 Mark Twain American Voice in Literature Award Longlisted for the Goodreads Choice Awards Book of the Month December Pick Good Housekeeping Book Club February Pick Marie Claire Book Club March Pick
