We Were the Lucky Ones Georgia Hunter, 2017-02-14 The New York Times bestseller with more than 1 million copies sold worldwide Now a Hulu limited series starring Joey King and Logan Lerman Inspired by the incredible true story of one Jewish family separated at the start of World War II determined to survive and to reunite *We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds Love in the face of global adversity It couldn't be more timely Glamour It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives even as the shadow of war grows closer The talk around the family Seder table is of new babies and budding romance not of the increasing hardships threatening Jews in their hometown of Radom Poland But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world each desperately trying to navigate his or her own path to safety As one sibling is forced into exile another attempts to flee the continent while others struggle to escape certain death either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight Driven by an unwavering will to survive and by the fear that they may never see one another again the Kurcs must rely on hope ingenuity and inner strength to persevere An extraordinary propulsive novel *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment the human spirit can endure and even thrive

Valuing Digital Business Designs and Platforms Thorsten Feix, 2021-09-15 This book develops an interwoven framework for the strategic and financial valuation of digital business designs and platform companies which became game changers for a multitude of ecosystems in the 21st century But also incumbents of traditional industries are challenged by

those digital natives and have therefore either to revitalize their business design or facing the risk to be marginalized The business design twin of innovation is resilience to create lasting competitive advantage and capture value for the post pandemic world of the 20s The ultimate idea of the book rests on the hypothesis that only the combination of business design analytics 10C Business Design and the 8 strategic levers of platform strength with intense financial modeling Reverse DCF enables a true understanding of the competitive advantage and value of such business designs Based on a tailored strategic financial conceptual framework a set of high profile new case studies will highlight the working principles and application of the concept

THE MAKING OF KING OF THE HILL Jimmy J. Smart, When King of the Hill premiered in 1997 television audiences encountered something revolutionary disguised as something ordinary The show dared to find humor not in aliens or talking babies but in a propane salesman s genuine pride in his work and a family s struggles with modern life It was hailed as a show that should be considered alongside the novels of Larry McMurtry as a significant work of American regional art and Hank Hill was quickly recognized as one of the most honest portrayals of middle class American masculinity ever animated Now with the much anticipated 2025 revival the show s legacy is being re evaluated through a new and timely lens This definitive book provides the first comprehensive analysis of the entire series from its creative genesis and foundations to its enduring cultural impact and its triumphant return Inside this deep dive you will discover The Creative Friction An in depth look at the symbiotic and at times combative partnership between co creators Mike Judge and Greg Daniels that transformed a simple concept into a character driven masterpiece The Suburban Prophet A breakdown of how Hank Hill s common sense middle became a beacon of moderation in an increasingly polarized world and how his propane philosophy served as a metaphor for an entire way of life The Satire that Became Reality A compelling analysis of how Dale Gribble s once absurd conspiracy theories about surveillance and data harvesting have become eerily prophetic in 2025 America The Quiet Revolution The full story of Bobby Hill s journey from a misunderstood middle schooler to a confident successful young adult challenging and redefining what American masculinity can be The Return to Arlen A detailed exploration of the new revival including Hank and Peggy s return from Saudi Arabia to a changed Arlen and the poignant tributes to late voice actors like Johnny Hardwick and Jonathan Joss This book is more than a guide it is a celebration of a series that found universal truth in the particularities of a Texas suburb It s a compelling look at why a show about a family and their friends still resonates so deeply with a new generation The Making of King of the Hill is an essential read for anyone who has ever loved the show and wondered what the propane philosophy really means

Water and Urban Development Paradigms Jan Feyen, Kelly Shannon, Matthew Neville, 2008-09-03. Communication across and integration of disciplines in the urban water sector seems today more imperative than ever before. Water is a strategic and shrinking resource. It is probably the world's most valuable resource and clean water has even been touted as the next oil. Control of water from access to management has always been a

An Introduction to Global Media for the Twenty-First Century Ole J. Mjøs, 2022-12-01. An Introduction to Global Media for the Twenty-First Century provides a thorough introduction to the field of global media today. The book presents the key changes taking place as the global media landscape evolves and the main theories of the field that explain these developments. Tracing first the formative development of an international and global media landscape throughout the 20th century from the telegraph, television, and film export and transnational television to the Internet, the book then focuses on developments in the 21st century. This includes the digitization of the global media and communications sector, the popularization of the Internet and digital infrastructure such as the smartphone and platforms, the emergence of global online media and services, the production and distribution of digital media content, and the exploitation of user data. Case studies illustrate key developments throughout the book. The book shows how the field is characterized by a continuity of critical concerns in relation to power, influence, and domination media.

user empowerment and exploitation and social and sustainable development and democratic conditions as well as geopolitical shifts in a global context

Positive Energy Ping Leeka, 2015-02-03 Positive Energy Illuminate Unlimited Energy will take you deep into the three important meanings in your whole life The first is your BaZi DNA BaZi means you will know what will happen in your life because its already been chosen for you All this is based from God we cant change it neither will natural human influentials Reading and understanding the content contained in these pages will help you in balancing out your energies and the worlds energies around you The second is about your luck which is based on your Zodiac Fortune This is basic from the month and year you were born Asia has over 6 000 years knowledge on this information already The information is followed by the moon stars and the sun Weve used that information since 2006 This also means this does not only work on just Asian people but also everyone else as well This is about knowledge only and not based on religion The third is Feng Shui Feng Shui mostly has to do with the inside and outside energy of the house You want to try to have positive energy in your house so you can have positive results The book details with examples of house positions When you have a positive house your life situations change Your money gets better your relationship will grow youll be feeling better at work and the arguments will ease These are the three steps you should follow to improve your life Positive Energy Illuminate Unlimited Energy will provide a step by step guide If you succeed on the first and second steps you will know who we are and how to help yourself and your loved ones As humans we are like a big tree the first and second steps are like the trees roots The third step is giving a vitamin to the tree So if you want to live prosperously we have to fix the roots first not just fill ourselves with nutrients

Recent Development in Land Use Dynamics and Governance in Sungai Selangor Watershed Dr. Yogesh Bainsla, Dr. A. Asrar Ahamed, Dr. Prasenjit Karmakar, 2025-02-22 Jamilah Mohamad, Goh Hong Ching, 2015-11-24 Watersheds have been widely recognized as the best scale at which to govern water At the geographic scale of the watersheds stakeholders are able to make decisions on how to manage water resources in a setting more conducive to participation Through coordinated development and management of water land and related resources economic and social welfare can be optimized without compromising sustainability of vital environmental systems Sungai Selangor is an important water resource for the state of Selangor It is the major contributor in meeting water demand to the Selangor State and Kuala Lumpur Since early days Sungai Selangor has played a central role in the development of settlements in northern Selangor The research described here is an attempt to understand the development forces operating in the Sungai Selangor watershed The approach taken is intentionally multi disciplinary as it attempts to paint a broad brush picture of the current situation within the Sungai Selangor watershed Increasing pressures on land development is a major factor that causes land use conflicts in the watershed Spatial environmental governance should improve collaboration and connections between citizens and decision makers at the watershed scale Many issues within the economic social or environmental realm necessitate an understanding

of the spatial context within which such forces operate The book is organized in ten chapters each chapter being devoted towards addressing particular issues considered prevalent or outstanding within the community living within the watershed Although the book has been written in an academic manner it should also appeal to the general public and students in higher education institutions as it relates to topical issues Beginner researchers may find that the discussion of various issues within a location specific context might spark off their interest to begin their own research on particular aspects that appeal to their own area of expertise
