Max Streaming 2025 Customer Service:

Personalization and Digital Social Markets Tahir M. Nisar, 2025-01-09 Tahir Nisar presents a cogent compelling account of recent developments and disruptions within the digital economy and particularly within the industrial and service sectors Through an original overarching framework rooted in the concept of personalization and its antecedents Nisar identifies radically new forms of relationships both economic and social among firms and customers These new relationships are driving major changes in commercial and industrial firms policies and practices and in turn in the entire market economy E commerce trading user generated content virtual communities co creation influencer movements FinTech and sharing economies have strengthened the hands of consumers and have encouraged developments in cognitive technologies such as AI automation which in turn create new ways of working and disruptions to traditional capital labour relations Ultimately what emerges from this study is a picture of how digital technologies unleash forces of change that are creating new forms of social and economic sharing arrangements and new forms of social organization For its empirical depth and and theoretical rigor this book is essential reading for researchers and students interested in emerging alternative forms of economics business and management and particularly those interested in the digital economy and the state and future of capitalist markets

From Telenovelas to Netflix: Transnational, Transverse Television in Latin America Joseph Straubhaar, Melissa Santillana, Vanessa de Macedo Higgins Joyce, Luiz Guilherme Duarte, 2021-12-06 This book is about television in Latin America Its national and regional industries create most television programming there within genres developed over time in the region However part of the programming has always come from the U S Europe and elsewhere With cable satellite and now streaming TV that inflow of foreign programming has increased substantially While many in the audience still prefer national or regional programs for their cultural proximity an increasing number among the upper middle and middle classes particularly the young are turning to the new foreign services like Netflix Amazon and Disney for class distinction cosmopolitanism or other motives Among the television industries global regional and national actors are creating a variety of programs and channels broadcast pay TV and streaming to segment and appeal to different parts of the audience

Wilson,Nathan Fernandes,Omar

Wala,Tony Rocks Estrada,Ameer Merchant,Suyash Bansal,Mohammed Rashid Khan,Momodou Saidykhan,Atul Jindal,Abhishek Singh,2025-03-08 The Digital Goldmine Unlocking Profit in the Online Economy is a comprehensive guide to mastering the digital world and turning online opportunities into sustainable wealth Covering everything from e commerce and affiliate marketing to AI powered businesses and global expansion this book explores the most profitable digital strategies of today Whether you re an entrepreneur freelancer content creator or investor The Digital Goldmine provides the insights and tools needed to thrive in the ever evolving online marketplace **Digital Business** Patrice Seuwou,2025-08-05 This comprehensive guide explores the fundamentals of digital business from understanding digital business models to leveraging emerging technologies and trends This work begins by examining the rise of digital business and the disruption it caused within traditional industries Chapters then delve into key topics such as building a digital business strategy designing a strong online presence e commerce digital marketing data analytics cybersecurity and more Written in a clear and accessible style the author provides real world examples to illustrate how successful companies have leveraged digital technologies to drive growth and achieve their business goals Each chapter features case studies learning objectives and key discussion questions to augment student learning This new text is recommended reading for undergraduate and postgraduate students of Digital Business Digital Marketing and Business Analytics It will also be valuable reading for reflective practitioners in the industry This book is accompanied by online resources including PowerPoint slides an instructor s manual a test bank of questions and worksheets for each chapter providing instructors with the necessary tools to keep their courses up to date engaging and effective in preparing students for the ever changing digital business landscape **Late Star Trek** Adam Kotsko,2025-03-25 How Star Trek s twenty first century reinventions illuminate the unique challenges and opportunities of franchise style corporate storytelling Late Star Trek explores the beloved science fiction franchise s repeated attempts to reinvent itself after the end of its 1990s golden age Beginning with the prequel series Enterprise Adam Kotsko analyzes the wealth of content set within Star Trek s sprawling continuity including authorized books the three Kelvin Timeline films and the streaming series Discovery Picard Lower Decks Prodigy and Strange New Worlds along with fan discourse to reflect on the perils and promise of the franchise as a unique form of storytelling Significantly including the licensed novels and comic books that fill out the Star Trek universe for its fans Kotsko brings the multiple productions of the early twenty first century together as a unified whole rather than analyzing them in their current stratified view He argues that the variety of styles and approaches in this tumultuous era of Star Trek history provides the perfect opportunity to reflect on the nature of the franchise storyworlds that now dominate popular culture By taking the spin offs and tie ins seriously as creative attempts to tell a new story within an established universe Late Star Trek highlights creative triumphs as well as the tendency for franchise faithfulness to get in the way of creating engaging characters and ideas Arguing forcefully against the prevailing consensus that franchises are a sign of cultural decay Kotsko contends that

the Star Trek universe exemplifies an approach to storytelling that has been perennial across cultures Instead he finds that what limits creativity within franchises is not their reliance on the familiar but their status as modern myths held not as common cultural heritage but rather owned as corporate intellectual property Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions *Annie, Get Your Guy and Messing Around With Max* Lori Foster,2010-12-27 It s hard to get serious when your one and only won t take you seriously Annie Get Your Guy Lori Foster What was a woman supposed to do Guy Donovan had always treated Annie Sawyers like a little sister But Annie already had a brother what she wanted was a husband Guy to be precise So when he announced his plans to get engaged to the wrong woman Annie set out to seduce him Which would have been a lot easier if Guy wasn t playing hard to get Messing Around With Max Lori Foster His love life was going to the dogs Max Sawyers would do anything for his mangy bad tempered mutt Cleo he d even give up his footloose lifestyle and take a wife The trouble was the only woman Cleo had ever taken a liking to was Maddie Montgomery And Maddie was also the only woman on the planet who didn t want to snag Max permanently Television's Streaming Wars Arienne Ferchaud,Jennifer M. Proffitt,2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution content and audience engagement with the television streaming industry The book interrogates the economics and structure of the industry questions the types and diversity of content perpetuated on streaming services and addresses how audiences engage with content from US and global perspectives and within various research paradigms Chapters address the television streaming wars including the debates and trends in terms of its production and competition diversity and growth of programming and audience consumption focusing on multiple platforms content and users This timely and creative volume will interest students and scholars working in television studies media industry studies popular culture studies audience studies media psychology critical cultural studies and media economics *Rise of Home Video* Ethan Parker,Al,2025-02-26 Rise of Home Video explores the fascinating journey of how watching movies at home evolved from a limited communal activity to the personalized on demand experience we know today The book dissects the technological advancements economic shifts and cultural impacts that propelled VHS DVD digital downloads and streaming into our lives It examines how each format reshaped consumer behavior copyright law and leisure itself Did you know that the shift from studio control to consumer choice was significantly influenced by the format war between VHS and Betamax The book highlights the ongoing tension between technological innovation and established business models within the film industry The book argues that each format VHS DVD and digital download marked a distinct phase in transferring power from studios to consumers fundamentally altering how films are made distributed and consumed From the advent of VHS to the rise of streaming the book journeys through each stage analyzing the marketing strategies technical advantages and cultural impacts associated with each format It navigates the landscape that enabled the emergence of VHS then shifts to the introduction of DVDs exploring their

superior features and impact Finally it delves into the digital age examining the rise of online streaming services and the challenges of piracy Using primary and secondary sources including industry reports and legal case studies the book adopts a holistic perspective By adopting an accessible and engaging writing style Rise of Home Video aims to equip readers with a deeper understanding of the forces shaping the future of entertainment allowing them to critically analyze the ongoing evolution of media consumption

The Independent Filmmaker's Guide to the New Hollywood Gabriel Campisi,2020-09-28 Netflix and its competitors like Disney Amazon Prime and Hulu have brought unprecedented levels of entertainment to consumers everywhere providing the richest most abundant aggregate of motion pictures and cinematic television the world has ever seen Behind the facade however things are not as pleasant A very costly paradigm shift is underway altering not only conventional business and finance models but also threatening long established avenues of entertainment such as movie theaters traditional television and home video and wreaking havoc on independent filmmakers and veteran producers alike This book attempts to make sense of ongoing economic and creative shifts of infrastructure and intellectual property to understand where the industry is headed and to distinguish which business models should be maintained and which ones should be left behind Featuring exclusive interviews with some of the industry s most prolific filmmakers and executives it dives into the trenches of Hollywood to provide readers with the knowledge necessary to rethink the business see past the turmoil recognize the new opportunities and take advantage of exciting new possibilities Change sparks innovation and innovation brings about great opportunity but only for the well informed and prepared

Marketing Robert W. Palmatier,Andrew Crecelius,2025-02-20 An introduction to marketing theory and practice based around Palmatier s acclaimed first principles this textbook provides a global perspective and an abundance of engaging case studies Palmatier s four principles all customers differ all customers change all competitors react all resources are limited provide a framework for understanding the diverse and idiosyncratic world of modern marketing Whether offline or digital B2C or B2B products or services domestic or international the same principles apply This textbook dives headfirst into marketing controversies Unique learning features Marketing Fail and Shades of Grey capture the messy reality of the business world and encourage students to reflect critically on both sides of a debate A focus on application means that a large share of the text is devoted to case studies featuring contemporary organisations such as Beyond Meat Zoom IKEA and the World Health Organization The perfect textbook for introductory modules on the essentials of marketing Marketing Based on First Principles provides a unique and dynamic approach allowing students to develop effective and flexible methods to deal with diverse and complex problems of marketing today
