Financial Planning Basics for Doctors Marshall Weintraub, Michael Merrill, Cole Kimball, 2019-01-25 *Financial Planning Basics for Doctors* is a comprehensive guide on building a long term financial plan for doctors and their families. Subjects covered include student loans, home buying, disability insurance, estate planning, college planning, retirement planning, investments, and behavioral finance among many others. Each chapter starts with the basics before addressing more advanced concepts frequently with examples and graphs and concludes with a concise summary of the key takeaways. Throughout the book, there are links to free downloadable spreadsheets and a planning checklist to help you jump start and organize your financial plan. The content provided is a result of the feedback the authors have received over thousands of meetings with doctors condensed into a thorough overview of the most relevant ideas. Teaching hospitals do an excellent job of training our next generation of doctors, yet most new physicians graduate without having had a class on managing their finances. This book was written to fill that knowledge gap. Marshall Weintraub, Michael Merrill, and Cole Kimball are financial advisors with Finity Group LLC, a financial planning firm specializing in working with doctors.

With college graduates earning over a million dollars more than high school grads will earn during the course of their lifetime, getting a college degree is incredibly important. However, the cost of college keeps rising, and navigating the maze of financial aid options grows more challenging every year. This book is a comprehensive guide to saving for college, scholarships, financial assistance, and more. YOU WILL DISCOVER How to use the net price calculator to figure out the school's actual cost. Creative strategies to minimize your college debt. Loan forgiveness programs to reduce college debt after you graduate. Options for cutting college costs. What scholarships are available and how to apply for them. Which tax credits can be used by students and their parents. How to complete the FAFSA and PROFILE financial aid applications.
