Jennifer Pierce, 2021-03-04 Westview belongs on a postcard. Quaint, picture-perfect, a tiny New England town steeped in history and traditions. Angela has always been everything people in Westview want her to be. She's supposed to be happy here, but she's starting to see all the flaws in her seemingly perfect life, and she's afraid that everyone else will notice too. Now she wants something more than small towns, something bigger than the life planned out for her by a family that has designed and destroyed reputations in Westview for generations. Owen knows that history can be a lot of lies, depending on who tells the story, and he's just discovered the truth about how Westview became a drowned town a century ago. But all he wants is to run away from his own past, from the bad decisions he's made and the tragedies still haunting him. He's focused on the future and proving people wrong, even though that means keeping secrets from his friends. Long before they understood the rumors and grudges that rule their hometown, Angela and Owen were friends for one perfect summer. Now, as they navigate their senior year of high school and Westview celebrates its Tricentennial, they are reunited, discovering truths about themselves, each other, and the ways their community has been shaped by secrets, lies, and a devastating obsession with perfection. **My**
