Box Office Price Returns:

The Business of Broadway Mitch Weiss, Perri Gaffney, 2015-07-14 New York's Broadway theatre scene has long been viewed as the top of the heap in the world theatre community. Taking lessons from the very best, this innovative guide delves into the business side of the renowned industry to explain just how its system functions. For anyone interested in pursuing a career on Broadway or who wants to grow a theatre in any other part of the world, *The Business of Broadway* offers an in-depth analysis of the infrastructure at the core of successful theatre. Manager/producer Mitch Weiss and actor/writer Perri Gaffney take readers behind the scenes to reveal what the audience and even the players and many producers don't know about how Broadway works, describing more than 200 jobs that become available for every show. A variety of performers, producers, managers, and others involved with the Broadway network share valuable personal experience in interviews, discussing what made a show a hit or a miss and how some of the rules, regulations, and practices that are in place today were pioneered. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Proceedings of the 2025 International Conference on Financial Innovation and Marketing Management (FIMM 2025) Maizaitulaidawati Md Husin, 2025-12-02 This book is an open access. Welcome to the 2025 International Conference on Financial Innovation and Marketing Management FIMM 2025. We are pleased to announce the 2025 International Conference on Financial Innovation and Marketing Management FIMM 2025, which will take place in the vibrant city of Singapore from August 15-17, 2025. This prestigious event will bring together leading academics, researchers, and practitioners to explore cutting-edge developments in the fields of financial innovation, marketing strategies, and their impact on the global economy. FIMM 2025 will provide a platform for sharing knowledge, discussing emerging trends, and fostering collaborations that shape the future of finance and marketing management. The conference will feature keynote speeches, panel discussions, technical sessions, and networking opportunities designed to stimulate insightful exchanges and inspire new solutions to the challenges faced by today's financial and marketing sectors.

Marxism and Film Activism Ewa Mazierska, Lars Kristensen, 2015-07-01 In *Theses on Feuerbach*, Marx writes, "The philosophers have only interpreted the world differently; the point is to change it." This collection examines how filmmakers have tried to change the world by engaging in emancipatory politics through their work and how audiences have received them. It presents a wide spectrum of case studies covering both film and digital technology, with examples from throughout cinematic history and around the world, including Soviet Russia, Palestine, South America, and

France Discussions range from the classic Marxist cinema of Aleksandr Medvedkin Chris Marker and Jean Luc Godard to recent media such as 5 Broken Cameras 2010 the phenomena of video blogging and bicycle activism films *Wiley Revenue Recognition*, + Website Joanne M. Congressional Record United States. Congress,1921 **Engaged with the Arts** John Tusa,2007-02-21 John Tusa has been Managing Director of London s Barbican Centre for more than a decade In that time he has been a notable controversialist speaking up for the need for the arts defending their achievements and arguing for more funding This selection of John Tusa s passionately argued candid and challenging essays on the arts in Britain today is informed by a lifetime s experience of the arts and a current position at the centre of the British arts scene Tusa seeks out the ways in which the arts can be made to blossom in this cultural and political climate with cuts in arts funding ever threatened His subjects include the art of living without objectives and whether leadership in the arts is a mystery or good sense He tells the true story of arts philanthropy and offers more personal pieces for example on the great power of music He also presents a light hearted ABC of the ARTS and imagines what Ten Commandments for the Arts might look like His own philosophy which informs his successful management of the Barbican is refreshing and instructive and he of course looks to the future with prescience Most of all his is a call for us urgently to think about why art matters so crucially for us all
