Curveball Barry Zito,Robert Noland,2019-09-17 The painfully honest and personal story of one of baseball s most intriguing players In Curveball Zito shares his story with honesty and transparency The ups and the downs The wins and losses By sharing his experiences as a man who had everything except happiness Zito offers readers a path through adversity and toward a life defined by true success Despite achieving the kind of fame and fortune that most people only dream about Barry Zito was plagued by both internal forces and external circumstances that robbed him of any sense of peace until he finally found a purpose worth living for Barry explores the twists and turns of his own journey including his dad s constant push and pursuit for excellence which translated into a toxic father son relationship how achieving superstardom in the major leagues created crippling fear the personal destruction brought on by fame and fortune and the disastrous seasons with the San Francisco Giants including being benched for the 2010 playoffs and World Series Zito comes face to face with the destructiveness of his own ego his need to be viewed as the best He also comes face to face with God and with the truth that he was loved no matter what he achieved
