Seek Purpose Lucas Morgan, AI, 2025-02-27 *Twenties Seek Purpose* addresses the widespread career dissatisfaction and underemployment experienced by young adults today. It highlights the pressures of the modern job market where globalization and technology have disrupted traditional career paths. The book argues that a skills focused approach to career planning is insufficient, advocating instead for integrating personal values and purpose into career decisions. The book examines societal and economic forces such as social media and the gig economy that contribute to career related anxieties. It emphasizes self discovery guiding readers to identify their strengths and passions. Did you know that young adults often face pressure to achieve success based on external metrics rather than personal fulfillment. Moreover many feel adrift due to a disconnect between education and available job opportunities. Beginning with an overview of the employment landscape the book progresses to explore strategies for career exploration networking and skill development. It culminates in cultivating resilience and finding purpose in work. Through practical exercises and real world examples *Twenties Seek Purpose* empowers young adults to navigate the job market and find fulfilling career paths.
