After the Rift Box Set C.J. Archer, 2022-01-14. This boxed set contains the all 6 books in the AFTER THE RIFT romantasy romantic fantasy series by multi USA Today and Wall Street Journal bestselling author C J Archer. This fantasy novel is simply the most captivating I remember reading in decades of fantasy books. It has been years and years since I have stayed up all night literally to read a book. An exceptional story plot with characters who are written in a manner that makes them feel so real. How does Ms Archer create pure magic so easily. This is one of the best books that she has ever written.

ABOUT THE SERIES The king's magnificent palace was built in a matter of weeks. No one saw the builders no villagers are allowed beyond the gilded gate and only one servant has ever left. The haunted look in her eyes as she was recaptured by the palace guards is something Josie daughter of the village healer has never forgotten. For Josie the palace is a mystery that grows more intriguing after she meets the captain of the guards a man known only as Hammer as mysterious and captivating as the palace itself. Whispers of magic fuel Josie's desire to uncover the truth but an ordinary girl like her can only dream of ever being invited inside. When the king decides to take a wife from among the eligible daughters of the noble families the palace gates are finally thrown open and the kingdom's elite pour in. In a court where old rivalries and new jealousies collide the king's favorite is poisoned and the healer is summoned.

As her father's assistant Josie finally sees inside the lavish walls but she soon learns the palace won't surrender its secrets easily for not a single resident from the lowest servant to the king himself has a memory from before the palace existed In her quest to help the servants Josie becomes embroiled in courtly intrigues alongside the enigmatic captain As their feelings for each other grow the hopelessness of their situation becomes apparent How can she love a man who doesn't know his own past To make matters worse they discover that ending the enchantment will shake the very foundations of the kingdom and destroy everything Josie holds dear

The Emperor and the Endless Palace Justinian Huang, 2024-03-26 Stonewall Book Award Winner 2025 A sweeping triumph in queer romance Booklist What if I told you that the feeling we call love is actually the feeling of metaphysical recognition when your soul remembers someone from a previous life In the year 4 BCE an ambitious courtier is called upon to seduce the young emperor but quickly discovers they are both ruled by blood sex and intrigue In 1740 a lonely innkeeper agrees to help a mysterious visitor procure a rare medicine only to unleash an otherworldly terror instead And in present day Los Angeles a college student meets a beautiful stranger and cannot shake the feeling they've met before Across these seemingly unrelated timelines woven together only by the twists and turns of fate two men are reborn lifetime after lifetime Within the treacherous walls of an ancient palace and the boundless forests of the Asian wilderness to the heart pounding cement floors of underground rave scenes our lovers are inexplicably drawn to each other constantly tested by the worlds around them As their many lives intertwine they begin to realize the power of their undying love a power that transcends time itself but one that might consume them both An unpredictable roller coaster of a debut novel **The Emperor and the Endless Palace** is a genre bending spicy romantasy that challenges everything we think we know about true love

AUTHOR'S NOTE **The Emperor and the Endless Palace** is a heart pounding romantasy full of shocking twists morally shifty characters and erotic thrills When it comes to the romance within this novel you can expect equal parts mess and swoon but its central thread is an epic tale of true love against all the odds

Spider and Silk May Sage, Fae aren't even supposed to exist, so why is Lena suddenly the slave of a unbearably gorgeous, cold and unyielding creature who can't possibly be human. Betrayed and tossed aside, she has a choice between risking her fortune with the rest of the humans picked to become the king's servant or let this thing who wants her on her knees take her. Well, better the devil you sort of know. When his father demanded they march south to claim their tithe of five hundred humans, Dryan believed the old man had finally lost his mind. Why would they need to go to war for mere mortal slaves when they're easily plucked from unsuspecting villages? But now he has a princess sleeping on his rug with his dogs and he can admit he sees the appeal. But claiming a mortal comes with many dangers. To her and to his sanity.
