Attention is the New Currency Shristy Dixit, 2025-10-25 In a world where every scroll sound and story competes for our gaze Attention Is the New Currency explores what it truly means to earn not demand attention Through the lens of modern brands that rise above the noise this book unravels how authenticity clarity and intention create deeper human connection in an age of distraction It looks beyond algorithms and ad spend to the quiet craft of meaning to campaigns that move not because they manipulate but because they matter Like the red dot breaking through a field of lines these brands remind us that attention when held with honesty becomes art This book is both a reflection and a manifesto for creators marketers and dreamers who believe that the most powerful way to capture attention is to deserve it

Letters from Jonathan Todd A. Johnson, 2021-11-08 What if one day while waiting at a restaurant for your pizza you found yourself in a world where a large percentage of the population including your girlfriend across the table suddenly vanished Mayhem and chaos are the new normal What just happened Where would you go How would you live That is where Michael Thomas finds himself on an early fall day in the not so distant future With no real knowledge of where he came from growing up orphaned few decisions had been up to him and unpredictability the norm Michael is about to experience a life that will make the one he knew seem wholly predictable by comparison None of it makes any sense The apparent randomness of it all Who could have expected this As it turns out someone did Several someone's in fact Enter the letters from Jonathan as well as new

companions Eddie Sam Jane and MessBox Ranch Compelled to go North Michael finds a new purpose to his life with new friends and enemies Most importantly he finds another Someone and something else he never expected by this time in his life a family Of those that remain the coming darkness will leave no one untouched Still it won t last forever Find out how they were protected and provided for in spite of the encroaching evil just outside their door There will be surprises You also will have a role in this

Fear of Missing Out Patrick J. McGinnis, 2020-05-05 What are you really missing out on You re home on a Friday night scrolling through Instagram ready to go to bed You see pictures on your timeline of a party you were invited to but didn t go to You were confident when you said no but now you can t stop thinking about it and you start feeling worse You have FOMO or Fear of Missing Out Coined in a Harvard Business School article FOMO has become a global term to describe the decimating anxiety when thinking other people are having better more fulfilling experiences than you are It s a natural biological response but that doesn t make it feel any better Amplified by the rise of social media FOMO has become a cultural crisis so what s the cure Patrick McGinnis creator of the term FOMO has been thinking about it for seventeen years and he has a solution decision making Learning to weigh the costs and benefits of your choices prioritizing your decisions and listening to your gut are central to silencing FOMO and its lesser known cousin FOBO Fear of a Better Option After all don t you want to feel comfortable and confident in your decisions Written with self evaluations throughout the book Fear of Missing Out Practical Decision Making in a World of Overwhelming Choice helps you ascertain and eliminate the parts of your life that are causing more anxiety than happiness So give this a read and then go to that party start that new book create a new goal or don t Make that decision and be confident in it it s the first of many of its kind
