Dear Ashley,

Two months ago, I hit a goal I never thought I'd reach. I pushed SEO traffic to 20 million monthly views.

One year ago, traffic for our four sites -- all of which I manage through a team of 25 employees -- rested at just 4 million per month. Upper management challenged me to lead the team toward doubling our traffic. We hit that goal in just six months, blowing away our sales revenue forecasts in the process.

With over seven years experience in internet and social media marketing, and as someone who is passionate about staying on the leading edge of tech, I'm confident I can repeat that growth as your new Marketing Manager. In my current position, I successfully lead creative strategy and internal development teams. Specifically, I have:

- Skyrocketed Inbound Marketing ROI by 43%.
- Reduced Cost Per Lead by 35%.
- Boosted Landing Page Conversion Rates by 55%.

I'm adept at reading Google and user search intent, then translating that to measurable returns. Can we schedule a call to discuss ideas for growing your revenue by 25% in 2018?

Thank you for your time. I look forward to hearing from you.

Job Coach-Life Coach-Executive Coach-Branding-Letter & Resume-Writing Service Anne Hart, 2005-10-07 Here's how to start your personal service business. Develop an icon logo and motto for your coaching clients. As a job or career coach, an executive coach, or a life coach, you will be presenting and classifying your client's competencies, writing resumes, cover letters, and creating a wide variety of business correspondence including sales letters, news releases, and direct mail copy. You will be planning events for your clients and their prospective employers. You'll need to really work a room to find clients as well as niches or jobs for clients when networking at professional associations and trade shows. Most frequently, you'll be asked to write, evaluate, and repackage resumes, cover letters, and other summaries of qualifications of your clients. A resume is a summary of qualifications. A career coach helps clients find success by taking step by step detailed concrete strategies that solve specific problems, get results, and reach a defined goal. A resume writing business online can be combined with a career coaching enterprise. The steps are outlined here for you to follow in chronological order to open and operate a resume writing service business and also a career coaching enterprise online from your home, mobile location, or office. You can telecommute online and still help people find direction by offering information, training, or consulting services. Here's how to open an online business, presenting and packaging your clients' competencies. Make your living writing resumes, business letters, and being a job coach. Help clients obtain appointments for interviews that may eventually lead to finding work. Write and repackage resumes and all types of business correspondence from cover letters and follow ups to direct mail or trade show sales letters. *Business America*, 1992.
