stick with it it will become easier over time until it is a set part of your day I hope you find the book helpful and I hope you see a sustained improvement in your mental health Tom WavreFounder iam1in4 com [My Journey Starts Here Jazz Thornton](#),Genevieve Mora,2021-01-05 Jazz Thornton has achieved huge international recognition for her work in advocacy for mental health and the use of voices of lived experience to provide hope to those who are struggling This journal written with Genevieve Mora her co founder of the organisation Voices of Hope provides a creative approach to self help in mental health and well being This attractive journal contains simple exercises with examples plus thoughts and reflections by its two authors both survivors of mental illness themselves It is a practical and creative outlet for those struggling with mental health or simply looking to improve their personal outlook on life As well as exercises there are inspirational quotations pages for personal reflection or ideas and even some colouring in pages There is a Where to Get Help section at the back
